Daddies An Endangered Species:

Daddies an Endangered Species Bill Haltom, 1996-05-01 **Father Found (Book 1 Daddy School Series)** Judith Arnold, 2025-03-01 Winner of the Romantic Times Reviewers Choice Award Book One of Judith Arnold's popular Daddy School series Jamie McCoy is the ultimate guy thirty years old carefree and professionally successful as the writer of a nationally syndicated humor column called Guy Stuff Nine and a half months ago he spent a week basking on the beach in Eluthera and indulging in a fling with a woman at the resort Never did he expect to find the unplanned result of that fling a healthy wailing baby named Samantha strapped into a car seat on his back porch along with a suitcase full of diapers and infant apparel and a note informing Jamie that he's her father Maybe he is and maybe he isn't But first things first He's never fed a baby or changed a diaper in his life He doesn't own a crib or a stroller In a panic he phones the nearest hospital where neonatal nurse Allison Winslow takes his call and tells him about a class she teaches called the Daddy School Classes on how to be a dad are exactly what Jamie needs But when he attends his first class and sees the tall earnest amazingly beautiful and even more amazingly competent Allison he realizes that he might just need more from her than her lectures on how to hold a baby Jamie's efforts to be a father to this precious baby touch Allison His sense of humor amuses her His striking good looks turn her on But how can she trust the sort of guy who'd sleep with a stranger on vacation without giving a thought to the consequences How can she give her heart to such a reckless man Rebel Girls Dads and Daughters Rebel Girls, 2024-10-04 TRUE STORIES OF DYNAMIC FATHER DAUGHTER DUOS In this collection you'll meet 25 amazing father daughter pairs Dive into their worlds and learn about how they built businesses trained horses made music advocated for others and dreamed big dreams together Climb the cloud skimming mountain the Grand with Marina Vasarhelyi Chin and Jimmy Chin Make movie magic with Bryce Dallas Howard and Ron Howard Soar to tennis superstardom with Coco and Corey Gauff Rescue animals with Bindi and Steve Irwin The inspiring easy to read stories in Rebel Girls Dads and Daughters come with colorful full page portraits created by female artists from all around the world Plus scannable codes let you listen to longer stories on the Rebel Girls app *Three Dads and a Baby* Ian Jenkins, 2021-03-09 As a closeted teen Ian wondered if he would ever fall in love or be able to live openly with a male partner Years later he had not one but two partners in a polyamorous throuple and the support of family friends and coworkers But something was still missing Spurred by a friend's donation of two embryos Ian Alan and Jeremy embarked on a sometimes hilarious sometimes tearful quest to become parents Along the way they faced IVF failures the threat of Zika virus a battle at their clinic that forced them into an urgent hunt for a new doctor pregnancy threatening bleeds costly legal battles and a reluctant superior court judge Ultimately the grace of women embryo donors their egg donor their surrogate even a surprise milk donor allowed them to complete their family with one perfect girl And in fighting for their family they became the first polyamorous family ever named as the legal parents of a child Fathers Under Fire Irwin Garfinkel, Sara S. McLanahan, Daniel R. Meyer, Judith A. Seltzer, 1998-11-01 This important

and highly informative collection of studies on nonresident fathers and child support should be of great value to scholars and policymakers alike. American Journal of Sociology Over half of America's children will live apart from their fathers at some point as they grow up, many in the single mother households that increasingly make up the nation's poor. Federal efforts to improve the collection of child support from fathers appear to have little effect on payments, and many critics have argued that forcing fathers to pay does more harm than good. Much of the uncertainty surrounding child support policies has stemmed from a lack of hard data on nonresident fathers. *Fathers Under Fire* presents the best available information on the financial and social circumstances of the men who are at the center of the debate. In this volume, social scientists and legal scholars explore the issues underlying the child support debate, chief among them, on the potential repercussions of stronger enforcement. Who are nonresident fathers? This volume calls upon both empirical and theoretical data to describe them across a broad economic and social spectrum. Absentee fathers who do not pay child support are much more likely to be school dropouts and low earners than fathers who pay, and nonresident fathers altogether earn less than resident fathers. Fathers who start new families are not significantly less likely to support previous children. But can we predict what would happen if the government were to impose more rigorous child support laws? The data in this volume offer a clearer understanding of the potential benefits and risks of such policies. In contrast to some fears, stronger enforcement is unlikely to push fathers toward remarriage. But it does seem to have more of an effect on whether some fathers remarry and become responsible for new families. In these cases, how are subsequent children affected by a father's pre-existing obligations? Should such fathers be allowed to reduce their child support orders in order to provide for their current families? Should child support guidelines permit modifications in the event of a father's changed financial circumstances? Should government enforce a father's right to see his children as well as his obligation to pay support? What can be done to help under- or unemployed fathers meet their payments? This volume provides the information and insight to answer these questions. The need to help children and reduce the public costs of welfare programs is clear, but the process of achieving these goals is more complex. *Fathers Under Fire* offers an indispensable resource to those searching for effective and equitable solutions to the problems of child support.

Engaging and Working with African American Fathers Latrice Rollins, 2020-12-30 *Engaging and Working with African American Fathers: Strategies and Lessons Learned* challenges traditional and historic practices and policies that have systematically excluded fathers and contributed to social and health disparities among this population. With chapters written primarily by African American women drawing on years of research, interviews, and practical experience with this demographic, each section explores current evidence on engagement approaches, descriptions of agencies' programs addressing specific issues fathers face, and case studies documenting typical clients and approaches to addressing their diverse needs. Offering an expansive overview of issues affecting African American fathers, the book explores such important topics as public child and mental health, education, parenting, employment, and public initiatives among others. *Engaging and*
