**Angels Among Us** Bryan Alan Stewart,2021-07-22 About the Book Have you ever seen a shifting shadow when no one else is around Perhaps in your peripheral vision you caught sight of a glimmering glow or a radiant white light Or maybe you have heard a voice call your name speak a command or word of warning a clear audible voice that causes you to turn your head to see who is talking only to find that there is nobody there nobody that you can see with the natural eye Was there ever a time where you were delayed due to unforeseen circumstances Maybe at that moment the situation caused stress or frustration due to impatience but the delay was sparing you from an accident down the road Have you ever felt the urge to help another human in need with an act of kindness In all of life s experiences things are going on behind the scenes unseen including the working of angels We may not see them other than in glimpses or through revelation but they are there They are invisible friends more for us than against us Myriads upon myriads and thousands upon ten thousands there are more of them than can be numbered They bring help to those who call out for healing encouragement peace and protection all at God s bidding In a time such as this it is comforting to know there are angels among us
