Humanity must have food and drink each day in order to survive. Humanity must pause for a time of rest each day in order to maintain the strength to perform the task of the following day. Humanity must enter into some type of relationship with another person each day unless he began to feel isolated and inferior. Just as the physical and psychological aspects of man must have certain needs met each day, so must the spirit of man. We may go with the flow for awhile, but deep within the confines of humanity is the soul. And that soul must experience and enjoy a renewal. Such renewal is found in a daily relationship with the Creator of life. Man must pause from his daily routine and purposefully focus on the Word of God, which in turn will enrich, encourage and enable him to face each circumstance and condition that a day's activities may confront him. The Bible declares that those who wait upon the Lord shall renew their strength, they shall mount up with wings as eagles, they shall run and not be weary, and they shall walk and not faint. Isaiah 40:31 KJV. Within the pages of this daily devotional, you will find strength, stability and satisfaction awaiting you each step of every day. **Experiencing the Heart of Pastoral Counselling** Bee Teik Lee, 2009.
