## **DI Moody On The Ten Commandments:**

*D. L. Moody on the Ten Commandments* Dwight L. Moody, 1977-01-01 Fresh and candid D L Moody on the Ten Commandments is a classic which dates from 1896 when Moody saw the need for inexpensive Christian literature His thoughts are still relevant today He covers each commandment in a separate chapter and ties the commandments together in the concluding chapter Jesus said that He came not to destroy the Law but to fulfill it Moody has given his own thoughts as to how the commandments should be followed today **D. L. Moody on the 10 Commandments** Dwight Lyman Moody, 1896

**D.L. Moody on the 10 commandments** Dwight L. Moody, 1977 **The Ten Commandments** D. L. Moody, 2016-05-02 The Ten Commandments are the only words that God wrote to man with His own hand In fact He wrote them out twice and even spoke them aloud in the hearing of Israel D L Moody was one of the most effective evangelists of the nineteenth century With no official ordination and little formal education Moody recognized the importance of making Christian doctrine simple and understandable by the common man Thus he set about writing inexpensive Christian books that would reach lost souls In *The Ten Commandments* Moody devotes a separate chapter to each commandment with a concluding summary His fervent belief was that the commandments are still God s measure of obedience today But they are more than a measuring stick they are a signpost pointing fallen mankind toward the only One who was able to keep God s law Moody s teachings are still relevant to this day His words still resonate just as they did in his large evangelical meetings where thousands of converts fell to their knees He reminds us that Jesus came not to abolish the law but to fulfill it and to become righteousness for all who believe **Dwight L. Moody Classics: Weighed and Wanting** Dwight Lyman Moody, 2020-07-23 Moody presents thought provoking arguments on our approach to keeping the Ten Commandments It s all still relevant today although society has fallen even further than Mr Moody anticipated when the book was written *The Ten Commandments* Dwight Lyman Moody, 2018-04 Original Title *Weighed and Wanting* New updated edition The ten commandments are not popular today Atheists want them nowhere in sight Many Christians say they are outdated But Dwight L Moody challenges us to take a closer look Which of the ten commandments can we honestly say are not good Which of the ten commandments can we break and not suffer the consequences both here and in eternity This book will challenge you to examine God s rules for life God doesn t ask anything of us that is difficult or unreasonable and this is certainly true with Jesus Christ as our strength and the Holy Spirit to guide us This book is a challenging yet refreshing look at some of the oldest most well known words of God

*Weighed and Wanting* D. L. Moody, 2015-07-27 D L MOODY 1837 1899 was probably the most well known and respected evangelist in the late 1800 s He preached to thousands on both sides of the Atlantic started schools and established what is now Moody Bible Institute **WEIGHED AND WANTING** is a series of messages on the Ten Commandments With his usual passion and candor Moody shares from his heart about the importance of upholding the commands of God in our daily life Though not everyone will agree with his conclusions his insights and deep love of the Scriptures are an important addition to

any conversation on the relevance of God's laws for today

**The Ten Commandments** D. L. Moody, 2016-03-17 Originally published in 1896 evangelist D L Moody offers his take on the famous Ten Commandments and his interpretation pertaining to how they remain relevant today While some of his specific examples are better suited for his own era the underlying premise remains true to this day wherein he presents a compelling case for how we should apply these commands In his work he opens with thoughts on King Belshazzar and the law and then proceeds to unpack each commandment one by one offering personal insight and practical advice for applying the commands to our daily lives Read for yourself the advice Moody offers and how you can better understand those ten fundamental laws of God

**Weighed and Wanted** Dwight Lyman Moody, 2015-03-24 was the same God so Moses and Aaron told them who by visions and voices in promises and precepts had revealed Himself long before to Abraham Isaac and Jacob We learn what men are from what they say and from what they do A biography of Luther gives a more vivid and trustworthy knowledge of the man than the most philosophical essay on his character and creed The story of his imprisonment and of his journey to Worms his Letters his Sermons and his Table Talk are worth more than the most elaborate speculations about him

The Weighed and Wanted, Or, Tested by the Ten Commandments Dwight Lyman Moody, 2008-01-01 If it were known that God Himself were going to speak once again to man what eagerness and excitement there would be How eagerly all men would listen if God should speak once more Yet men forget that the Bible is God's own Word and that it is as truly His message today as when it was delivered of old The law that was given at Sinai has lost none of its solemnity Time cannot wear out its authority or the fact of its authorship Some people have their own balances A great many are making balances to be weighed in But after all we must be weighed in God's balances the balances of the sanctuary It is a favorite thing with infidels to set their own standard to measure themselves by other people But that will not do in the Day of Judgment Now we will use God's law as a balance weight When men find fault with the lives of professing Christians it is a tribute to the law of God
