Customerdriven Strategy Winning Through Operational Excellence:

Customer-driven Strategy Thomas F. Wallace,1992 Customer Driven Strategy Thomas F Wallace Strategic Planning in many companies consists of annual treks to resorts for two days of planning and one day of golf These strategy retreats often produce impressive bound plans which tend to collect dust on the bookshelves of managers throughout the company The net impact on the business is obviously nil Despite this annual performance gap developing a dynamic operating strategy is essential to the survival and success of every enterprise It s also critical for companies to develop a viable strategy by creating customer driven plans focused on consistently delivering value to the customer in every aspect of a company s operation Customer Driven Strategy takes you beyond the traditional approaches to planning and strategy implementation It brings the reality of delivering value to your customers into the essential aspects of your business It helps you to create implement and manage a flexible dynamic plan that s committed to your customer Tom Wallace shows how to develop this customer driven perspective by implementing a holistic fully integrated strategic approach in the following areas Initiating a customer driven planning process Leveraging continuous improvement initiatives Developing innovative approaches in high performance work teams Creating a learning environment that fosters constant innovation Maximizing the market impact of new products Using planning and control systems to their greatest potential Sustaining new partnerships with suppliers for competitive advantage Developing accurate effective performance measures Implementing customer driven strategies for the maximum benefit of the business and your customers Packed with practical advice and guidelines Customer Driven Strategy gives you the proven tools and techniques to realize significant improvements in your company s operations today In addition you can learn how Hewlett Packard Steelcase Tellabs and other companies dramatically improved their performance through customer focused strategic planning

Customer-Driven Change Bud Taylor,2011-11-15 An accomplished change consultant offers valuable insight into using customer perspective to drive employee engagement and strategic innovation In the world of business theories of change always agree on two essential ingredients committed leaders and engaged employees Most would say that if you have these you will have successful change but how do you get them in the first place And how do you maintain them through reorganization new strategies or necessary cutbacks Change management expert Bud Taylor has a simple yet profoundly effective answer In Customer Driven Change he demonstrates the power of thinking about change from the customer s point of view By encouraging leaders and employees to adopt a cohesive perspective that of your customers you will create sustained commitment and engagement within your organization faster than with any other approach
