

CYCLE WORLD TEST

HARLEY-DAVIDSON Heritage Softail Nostalgia

**THE
MOTOR
COMPANY'S
LATEST
RETRO-
ROADSTER**

In previous years, excitement in the Harley-Davidson Heritage Softail Nostalgia, but longer that can become a member. Harley-Davidson's latest limited-edition model will forever be known as the Core Cycle, thanks to general manager Softail's motto on its web and marketing.

Basically, the Nostalgia is a Fat Boy with some styling changes. The Heritage-style exhaust on the side, but with check-the-tips, a popular 1970s addition. Also from the Fat Boy is the Heritage Hydra-Glide three-pedal frame as the Fat Boy's, the chrome-plated steel and the 14-inch spoked wheels. Even the black-and-white paint scheme for the Heritage-style look about it.

"The wheelset was just the trigger point," says Bill Weller, VP of Harley-Davidson of the Nostalgia's styling

case. "In the past, we've been pretty good at nostalgia, but with each model, there really has to be a new element. It has to relate to the past, but it also has to be new. What we were above the Softail's events, the whole theme started to come together. It's a fairly serious statement, with all of the nostalgia ingredients and a bit of Hollywood. The bike didn't necessitate a lot of looking or new parts, but it's a major visual statement."

Like the Fat Boy, the Nostalgia begins with a Softail chassis, an Evolution engine, front fender treatment and a fat, air-cooled front tire. The tubular-steel frame, used on all Harley-Davidson Softails, helps reproduce the look of traditional Softail models, but functionally not the least side. Two horizontally mounted, pre-lubricated Harley shock absorbers are hidden under the engine and provide

4.1 inches of rear-wheel travel.

The reproduction Hydra-Glide three-pedal frame will also manufacture by Harley, with a claimed 5.1 inches of travel. With the bike in it was intended, that is to say slowly, and the suspension problems with. Starting like and take down back-ends and backends in a smooth, controlled fashion. Forward lean, through the suspension creates its fully sprung and undamped character. Higher cornering speed.

Instant collector's item: Only 2700 Heritage Softail Nostalgias, featuring whitetail trees, natural cattails, chrome mounts on the seat and saddlebags, and chrome-covered handlebars, will be manufactured, each carrying a \$12,000 price tag. Already, examples are hitting the streets, with speculators seeing \$17,000.
