Czech Republicslovak Republic

MICHELIN TRAVEL PUBLICATIONS

Czech Republicslovak Republic:

The History of the Czech Republic and Slovakia William Mahoney,2011-02-18 This survey of Czech and Slovak history traces the development of two neighboring peoples through the creation of a common Czechoslovakian state in 1918 to the founding of the independent Czech and Slovak Republics in 1993 and beyond The History of the Czech Republic and Slovakia charts historical developments in the two nations to the opening decade of the 21st century The book begins with an overview of the geography climate people economy and government of both the Czech and Slovak republics Subsequent chapters offer a chronologically organized survey of historical events trends ideas and people Starting with the early Slavic settlements around the 5th century AD the book explores Czech and Slovak history through the Middle Ages the Renaissance and Early Modern eras the Enlightenment and the age of nationalism and revolution Chapters on the 20th century include discussion of the World Wars the interwar Czechoslovak state the Communist decades the Prague Spring and the Velvet Revolution of 1989 The story is brought up to date with insights into developments in the independent Czech and Slovak republics since 1993

The Czech And Slovak Republics Carol Leff,2018-02-15 This clear objective introduction to the politics of Czechoslovakia and the successor Czech and Slovak Republics provides a comprehensive analysis of Czechoslovakia in the postcommunist period Carol Leff builds a framework for understanding the dynamics of the triple transition democratization marketization and a national transformation that has reconfigured the dynamic between state and nation She shows how the interaction of these three transformational agendas has shaped Czechoslovakia s development ultimately culminating in the paradoxical disintegration of a state that most of its citizens wished to preserve The book offers a valuable case study of a country coming back to Europe but it also provides an opportunity for analyzing the influence of communism on what had been a significant interwar European state The book s strong comparative element will make it invaluable as well for those seeking to understand contemporary Central and Eastern Europe

The Road to the European Union Jacques Rupnik,Jan Zielonka,2003-11-08 This book is a timely and solid portrait of modern China from the First Opium War to the Xi Jinping era Unlike the handful of existing textbooks that only provide narratives this textbook fashions a new and practical way to study modern China Written exclusively for university students A level or high school teachers and students it uses primary sources to tell the story of China and introduces them to existing scholarship and academic debate so they can conduct independent research for their essays and dissertations This book will be required reading for students who embark on the study of Chinese history politics economics diaspora sociology literature cultural urban and women s studies It would be essential reading to journalists NGO workers diplomats government officials businessmen and travellers

The Czech And Slovak Republics Carol Leff,2018-02-15 This clear objective introduction to the politics of Czechoslovakia and the successor Czech and Slovak Republics provides a comprehensive analysis of Czechoslovakia in the postcommunist period Carol Leff builds a framework for understanding the dynamics of the triple transition democratization marketization

and a national transformation that has reconfigured the dynamic between state and nation She shows how the interaction of these three transformational agendas has shaped Czechoslovakia's development ultimately culminating in the paradoxical disintegration of a state that most of its citizens wished to preserve The book offers a valuable case study of a country coming back to Europe but it also provides an opportunity for analyzing the influence of communism on what had been a significant interwar European state The book's strong comparative element will make it invaluable as well for those seeking to understand contemporary Central and Eastern Europe

Defining the Sovereign Community Nadya

Nedelsky,2012-02-28 Though they shared a state for most of the twentieth century when the Czechs and Slovaks split in 1993 they founded their new states on different definitions of sovereignty The Czech Constitution employs a civic model founding the state in the name of the citizens of the Czech Republic while the Slovak Constitution uses the more exclusive ethnic model and speaks in the voice of the Slovak Nation *Defining the Sovereign Community* asks two central questions First why did the two states define sovereignty so differently Second what impact have these choices had on individual and minority rights and participation in the two states Nadya Nedelsky examines how the Czechs and Slovaks understood nationhood over the course of a century and a half and finds that their views have been remarkably resilient over time These enduring perspectives on nationhood shaped how the two states defined sovereignty after the Velvet Revolution which in turn strongly affected the status of the Hungarian minority in Slovakia and the Roma minority in the Czech Republic Neither state has secured civic equality but the nature of the discrimination against minorities differs Using the civic definition of sovereignty offers stronger support for civil and minority rights than an ethnic model does Nedelsky's conclusions challenge much analysis of the region which tends to explain ethnic politics by focusing on postcommunist factors especially the role of opportunistic political leaders *Defining the Sovereign Community* instead examines the undervalued historical roots of political culture and the role of current constitutional definitions of sovereignty Looking ahead Nedelsky offers crucial evidence that nationalism may remain strong in Slovakia and the Czech Republic even in the face of democratization and EU integration and is an important threat to both

The Czech & Slovak Republics Rob Humphreys,David Charap,1996 This

book provides comprehensive and up to date information about the Czech and Slovak republics with reviews of the best restaurants and pubs accommodation and entertainment plus information on the history and culture of the two nations

Czech & Slovak Republics John S. King,Scott McNeely,Richard Nebeský,1998 Briefly traces the history of the region describes points of interest and recommends hotels and restaurants

Slovakia Michael Augustin,Peter Jančovič,Bruno S. Sergi,2024-11-15 This edited collection analyses various aspects of Slovakia's economy including recent developments and events such as the COVID 19 pandemic and war in Ukraine highlighting issues that arise from the current economic model making it difficult for Slovakia to revitalize and adapt the economy to new circumstances

Czech Republic, Slovak Republic Karl Baedeker,1994 *CZECHSLOVAK REPUBLIC*

MICHELIN TRAVEL PUBLICATIONS, Czech Republic, Slovak Republic MICHELIN TRAVEL PUBLICATIONS,2012-01

The Road to the European Union: The Czech and Slovak Republics Jacques Rupnik,2003 The Baltic states are at the doorstep of accession to the European Union In the space of just ten years Estonia Latvia and Lithuania have gone from being fragile and largely unknown ex Soviet republics to having a clear and acknowledged place in the construction of Europe What are the challenges and adjustments that the three countries have had to undergo during this momentous journey This volume profiles a range of social political and economic developments in the Baltic states during the 1990s and the early years of the twenty first century Its ten chapters tell the story of how small states struggle to establish themselves in regional and international politics how they attempt to resolve relations with former rulers how they address questions of multiethnic democracy and social integration how they build state administrations and foster democratic constitutional norms and how they reorganise economic structures and develop foreign trade It will serve as an excellent companion volume for those studying both EU enlargement and post communist transition *International Summit on the Teaching Profession Building a High-Quality Teaching Profession Lessons from around the World* Schleicher Andreas,2011-11-21 This report presents the best current evidence about what can make teacher oriented reforms effective and points to examples of reforms that have produced specific results show promise or illustrate imaginative ways of implementing change

Implementing Environmental Constitutionalism Erin Daly,James R. May,2018-05-31 Constitutions can play a central role in responding to environmental challenges such as pollution biodiversity loss lack of drinking water and climate change The vast majority of people on earth live under constitutional systems that protect the environment or recognize environmental rights Such environmental constitutionalism however falls short without effective implementation by policymakers advocates and jurists *Implementing Environmental Constitutionalism Current Global Challenges* explains and explores this implementation gap This collection is both broad and deep While some of the essays analyze crosscutting themes such as climate change and the need for rule of law that affect the implementation of environmental constitutionalism throughout the world others delve deeply into geographically contextual experiences for lessons about how constitutional environmental law might be more effectively implemented This volume informs global conversations about whether and how environmental constitutionalism can be made more effective to protect the natural environment Structure and
