L. Moody,2017-01-06 A great many people are afraid of the will of God and yet I believe that one of the sweetest lessons that we can learn in the school of Christ is the surrender of our wills to God letting Him plan for us and rule our lives If I know my own mind if an angel should come from the throne of God and tell me that I could have my will done the rest of my days on earth and that everything I wished should be carried out or that I might refer it back to God and let God s will be done in me and through me I think in an instant I would say Let the will of God be done D L Moody Get more books at RevivalPress net **The Best of D. Moody* D. L. Moody,2017-01-11 One man may have zeal without knowledge while another may have knowledge without zeal If I could have only the one I believe I should choose the first but with an open Bible no one need be without knowledge of God s will and purpose and the object of this book is to help others to know the source of true power that both their zeal and their knowledge may be of increased service in the Master s work Paul says all Scripture is given by inspiration of God and is profitable but I believe one portion and that the subject of this book has been too much overlooked as though it were not practical and the result is lack of power in testimony and work If we would work not as one that beateth the air but to some definite purpose we must have this power from on high Without this power our work will be drudgery With it it becomes a joyful task a refreshing service May God make this book a blessing to many This is my prayer D L MOODY GET MORE BOOKS AT REVIVALPRESS NET     **The D.
