**Empty Quiver** Russ Linton,2015-06-01 Linton has drawn his epic world best in the reflections of those impacted by it be they Augment or human Like an origami creation he builds his tales in subtle layers crisp folds of storytelling that make a shape far different than first expected Fanboy Comics 5 star review Linton takes the horror of the atomic bomb s emergence in WWII and transforms it into the emergence of laboratory grown super soldiers but with similarly horrific consequences and the same desperate global struggle to cram the genie back into the bottle afterward It gives the entire story world a grittiness and gravitas that we rarely see in superhero stories And that darkness makes it chilling Jefferson Smith of Immerse or Die Empty Quiver n A U S Military term to identify and report the seizure theft or loss of a nuclear weapon Hurricane Ember Aurora Danger State sponsored superhumans known as Augments Weapons created to end a war With the war over their creators couldn t surrender the power and sought to hide it in the shadows They forged ahead with covert operations and proxy wars despite growing condemnation But one by one Augments begin to ignore their handlers or disappear altogether The quiver emptied Empty Quiver takes a dark dive into the Crimson Son universe Not your typical superhero tales this short collection pulls no punches as it examines the clandestine program that changed Spencer s world Download your free copy and enter the universe of Crimson Son      **Forthcoming Books** Rose Arny,1999      Sky Hawk Gerit L. Fenega,2014-03-13 This book is a firsthand account of the Vietnam conflict as it unfolded before a midlevel career military officer In a first person account it does not portend to be a microcosm of that war but rather what it was like for one year at one place to participate and ultimately lead an attack squadron in combat This an upbeat anecdote filled historically accurate but nonscholarly tale of events seen or taken part in by the author The book aims for a wide audience that likes aviation adventure and insight into leadership It forcefully brings home the lessons we as a country should learn from such turmoil This is no memoir to justify the action or inaction of a midlevel manager but a month by month account of controlled mayhem and high humor among professionals in the maelstrom of battle      Unconditional Allison Garner,Piper Garner,2020-05-05 Unconditional helps those experiencing the challenges of intense emotional issues to let them know they are not alone Unconditional takes readers through Allison Garner s own journey with her daughter as they face her daughter s emotional mental and behavioral struggles With bracingly honest reflection Allison shares her own struggles learning how to parent a child with major emotional and mental struggles from multiple suicide attempts to cutting school She openly admits to the thoughts most mothers never have the courage to say out loud and tackles her own growth head on to show parents that it s okay not to have all the answers and they don t have to be a normal parent or good mother Including excerpts from her

daughter's journal *Unconditional* while not shying away from reality paints a beautiful picture of hope and growth on an imperfect journey and reassures parents that there is nothing wrong with them or their children *That Is SO Me: 365 Days of Devotions* Nancy N.
