## **D H Lawrence A Centenary Consideration:**

**D. H. Lawrence** Peter Balbert, 2019-06-30 This impressive volume is made up of eleven essays by a distinguished group of contributors including both Lawrence specialists and well known critics who work primarily in other areas. Nine of the essays were commissioned especially for this volume and the other two were revised by their authors for book publication. Each engages in a fresh and provocative way an important aspect of Lawrence's writings. The book's organization follows the chronology of Lawrence's career and the essays cover the full range of his creative achievement from analyses of major novels and short fiction to reassessments of his poetry and visionary thought. No single ideology or methodology dominates the volume; the contributions include traditional humanistic studies and formalist readings as well as feminist approaches and analyses that reflect current poststructuralist theory. Some of the essays implicitly challenge the validity of others and some may well cause controversy. Taken together they illuminate the richness of Lawrence's writings and the multifaceted nature of his accomplishments. *D H Lawrence A Centenary Consideration* will be rewarding reading both for Lawrencian specialists and for others interested in modern literature.

**D. H. Lawrence**, 1985 D.H. Lawrence Fiona Becket, Annotation This guide moves beyond the controversy surrounding *Lady Chatterley's Lover* to examine the prolific output of poetry, novels, and non-fiction that made Lawrence a central figure in the Modernist movement.

**Rhetoric Of The Unselfconscious In D H L** Nakabayashi, Masami, 2011-10-16 In this study of the *Lady Chatterley* novels, Masami Nakabayashi pays particular attention to D H Lawrence's language for the feelings and for the life of the unselfconscious sexual body. The novels constantly find ways of verbalising the characters' internalised experiences as they occur in states of unselfconsciousness. Lawrence's language for sensual feelings and emotions has always been regarded as simply sexual and no previous critics have explored or made sense of the complexities of his peculiar but extremely sophisticated writing practice in the *Lady Chatterley* novels. Lawrence was a habitual reviser of his work and despite the availability of reliable texts in the Cambridge edition, few critics have traced the nature and significance of his changes from one draft to the next. By examining and analysing the novels' particular linguistic revisions, Masami Nakabayashi reveals the textual impulse behind Lawrence's original conception and its subsequent change and development.

**The Changing Fictions of Masculinity** David Rosen, 1993 In a sensitive and provocative study of six great works of British literature, David Rosen traces the evolution of masculinity, inviting readers to contemplate the shifting joys and sorrows men have experienced throughout the last millennium and the changing but constant tensions between their lives and ideals. Focusing on *Beowulf*, *Sir Gawain and the Green Knight*, *Hamlet*, *Paradise Lost*, *Hard Times*, and *Sons and Lovers*, Rosen shows how the actions of heroes fail to resolve tensions between masculine ideals and male experiences.

*The Making of the Modern Artist* Ernest L. Veyu, 2012-12-19 *The Making of the Modern Artist* Stephen Dedalus and Will Brangwen examines two fictional artists by James Joyce and D H Lawrence in *A Portrait of the Artist as a Young Man* and *D H Lawrence's The Rainbow* respectively. It brings together Joyce

and Lawrence in their common concern with the modern artist and modern art Taking the two major artist characters of the two works this study establishes that Joyce and Lawrence irrespective of major background educational artistic and philosophical differences converge on the person character artistic vision and working methods of the modern artist This study makes little effort at looking at these fictional artists as alter egos of Joyce and Lawrence it treats them as modern artists in their own right It attempts to give them somewhat a critical right of existence of their own Modernism and Empire Howard J. Booth, Nigel Rigby, 2000-06-10 This is the first book to explore the fascinating relationship between literary Modernism and Empire The book seeks to begin the task of exploring in a sustained way the relations between the artistic movement and colonialism The essays range over subjects and figures such as Ireland Africa Joyce Pound Townsend Warner Lawrence and Forster Kipling Woolf and Jean Rhys **Many Gods and Many Voices** Louis Lohr Martz, 1998 Martz English emeritus Yale argues that the prophetic tradition with its focus on the evils of the present as well as the possibilities of redemption should be understood as an integral component of both the texture and contents of works by such modernist poets as Ezra Pound William Carlos Williams T S Eliot and others Biblical prophecy he asserts is an important precedent for the tone and subject matter of these poets works Annotation copyrighted by Book News Inc Portland OR **D.H.
