separation and to the mothers long overburdened by the responsibilities of single parenthood Says Bryan I will be touring to more than twenty cities to get the message of Reunion for Fathers across Will you help me reach those millions of fathers and mothers whose distance keeps their children from knowing their fathers Will you help those 21 million children who never see their fathers live fuller lives and gain a love they so fervently need I am asking your help to bring this message to your audience For this is not just a book It is a mission
