Chen,2025-11-30 The book of Daniel tells the true story and casts a vision of the only kingdom that will never be destroyed This kingdom thread runs throughout both its beloved stories in the first half of the book and the often baffling visions in the

second half The book of Daniel also takes seriously the reality that God's people suffer Even so believers may take heart that the King of heaven rules over the kingdoms of earth and will ensure that his kingdom triumphs in the last days The son of man will rule this kingdom and receive the worship of all nations Thus suffering and death are not our end but instead resurrection everlasting life and glory The Asia Bible Commentary Series equips Christian believers in Asia to read the Bible within their respective cultural contexts Holistic in its approach to the text each exposition of the biblical books combines exegesis and application The goal is to strengthen the body of Christ in Asia by providing a pastoral and contextual exposition of every book of the Bible NIV Classics Devotional Bible ,1996 Less of More Chris Nye,2019-05-21 The US Constitution guarantees the right to the pursuit of happiness But for most Americans what this really means is the pursuit of more more money more prestige more stuff We've made idols out of innovation growth power and wealth Far from offering us happiness and satisfaction this relentless pursuit of more has only left us exhausted isolated miserable and wondering if there is a better way There is Less of More exposes the American pursuit of more for what it truly is an attempt to satisfy our souls with the temporary instead of the eternal Pastor and writer Chris Nye invites us to consider what a full and abundant life looks like apart from money status and power He exposes the lies inherent in our obsession with growth fame and wealth and calls us to a countercultural life marked by connection obscurity vulnerability and generosity For anyone who has gained the world but lost their soul Less of More offers a compelling path toward a life of true deep lasting satisfaction with Jesus not us at the center of it Selah Stuff Tim Lanier,2023-11-07 Selah moments are those times when we don't just live our life we examine it We read certain events through the contemplative lenses of our God given reflectacles Selah moments enable us to slow down and internalize the message of Scripture with our internal eyes Selah moments provide us with an appropriate place to pause and appropriate God's Word into our lives In the pages of this book I have gathered together some of my Selah moments At first glance it might look like a random collection of stories poems insights and homilies However each of these writings began as an entry in my journal the place where I write about what I think about As you read these journal entries I believe that some of them will remind you of your own journey The chapters are grouped around the cast of characters who have walked with me in my original road show my family people I've encountered along the way the living words of Scripture and my Heavenly Father The personalities in your production will be as unique as you are just as your story lines will be your own But I believe there will be moments in the reading of this text where the differences in the details become less and less important as you say to yourself I get that I've felt the same way I've asked myself that very question I thought I was the only one who'd ever gone through that As your emotions are engaged I hope that your time in this book will become more and more like a conversation with a friend and fellow pilgrim And I pray that the Selah Stuff in these pages will remind you to stop look and listen to what God is saying in the moments of your own life Religion and Media in America Anthony Hatcher,2018-05-25 Covering topics ranging from the Moral Monday movement to Christian films
