Alice Doesn't Teresa de Lauretis, 1984-05-22 There is hardly a page in this collection of hard thought and brilliantly written essays that does not yield some new insight Hayden White de Lauretis's writing is brisk and refreshingly lucid International Film Guide *Bad Timing* Betsy Berne, 2001 The last thing she wants is to fall in love with a married man and a father to boot particularly now when so many of her friends have already abandoned ship for husbands and babies and certainly not while her biological clock is ticking so loudly she can barely sleep But that's exactly what happens to the single unnamed thirtysome thing narrator of *Bad Timing* who meets jazz musician and club owner Joseph Pendleton at a too hip downtown party and becomes pregnant after their first night together As the city summer heats up her resolve for independence breaks down and her increasingly difficult situation seems to make this increasingly difficult man even more irresistible Set in all too small New York universe of artists musicians and writers in which the lives of our hapless heroine and her errant lover intersect repeatedly with far fewer than six degrees of separation *Bad Timing* memorably depicts a woman struggling to reconcile her need for love with the limits and liberties of an undercover affair With a startlingly fresh take on some New York prototypes the witty gay neighbor and the overbearing Jewish family and devilish looks into the clubby world of art and magazine *Bad Timing* is a memorably tart yet sweet story of modern love lost and found **The**
