The Bakke Case Joel Dreyfuss, Charles Lawrence, 1979 Landmark legal case regarding racial discrimination of a medical student

The Slaughterhouse Cases Ronald M. Labbé, Jonathan Lurie, 2005 While ruling that Louisiana had legitimately exercised its powers the Court's majority went much further to declare that the amendment and its due process and equal protection clauses applied exclusively to the plight of former slaves and thus were unavailable to any other American

BOOK JACKET The Presidency of James Earl Carter, Jr Burton Ira Kaufman, Scott Kaufman, 2006 A thoroughly revised updated and newly illustrated version of the Gaddis Smith called the best book on the totality of the Carter presidency The new edition includes more on the former president's foreign and environmental policies and expands coverage of the personal Carter as well as his wife Rosalyn's activist role during his administration

The Yoder Case Shawn Francis Peters, 2003 In the late 1960s an Amish community considered state education detrimental to its own values When the state claimed truancy and took Jonas Yoder to court a legal battle of landmark proportions followed This volume is a complete and compelling account of the Yoder case

Cases and Controversies Peter H. Irons, 2005 This casebook containing longer excerpts than those found in most other books includes cases from important Supreme Court opinions and material that places these cases and the issues they raise in a broad political historical and social context The volume presents Supreme Court challenges and landmark decisions involving wartime protest and hysteria the Great Depression and conflicts over issues such as abortion A focus on the characters who make up the stories of constitutional law such as Dred Scott Homer Plessy Lillian Gobitis Gordon Hirabayashi Mary Beth Tinker and Michael Hardwick adds human faces and voices to the Supreme Court opinions and introduces the fascinating players with fundamental divisions of interest and values who have had roles in making legal history For individuals interested in constitutional law

California. Court of Appeal (1st Appellate District). Records and Briefs California (State)., **Board of Education of the City of Peoria V. Sanders**, 1987

Realizing Bakke's Legacy Patricia Marín (Ph. D.), Catherine L. Horn, 2008 How has Bakke shaped our understanding of race access to education and affirmative action Will Bakke remain relevant for the future legally and politically Can we use Bakke to re envision affirmative action in higher education Published to mark the 30th anniversary of the Supreme Court's Bakke decision this book explores the complex set

of legal and educational policy circumstances established by this historic court decision that continues to simultaneously frame narrow and confound our understanding of affirmative action in higher education specifically and issues of equity in education broadly. By upholding Bakke the Supreme Court in its Gratz and Grutter opinions maintained its centrality in the ongoing argument about access to higher education. However, this validation of racial and ethnic diversity as a legally compelling interest did not silence the multiplicity of voices debating the consequences and fundamental issues of Bakke. Multi-disciplinary in approach and multi-racial in content, this book represents that kaleidoscope of voices and opinions. The contributors include scholars of national stature in the areas of access and equity in education. The book is guided by three frames: Bakke's legal and philosophical lineage, the educational pipeline past, present and future, and policy and practice. It begins with an historical analysis of the legal and policy parameters of the decision and highlights the legal and social fissures that exist related to affirmative action and college admissions. It discusses in detail the philosophical underpinnings of affirmative action as a catalyst for reaping the benefits of diversity. The book also reviews Bakke's broader influences on K-12 and postsecondary politics and practices across institutional, state and national levels. As racial divisions in the country are sharpening and as educational outcomes continue to be directly related to race and poverty, this volume will help inform the discussions and decisions by federal and state policy makers, educational providers, civil rights advocates, and other interested stakeholders to bring about the changes that lead to equal opportunity.
