*Shakespeare and the Mediterranean 1: Romeo and Juliet* Silvia Bigliuzzi,Emanuel Stelzer,2022-08-26 The Mediterranean

of Shakespeare's dramas is a vast geopolitical space. Historically it spans from the Trojan war to Greek mythology and the ancient Roman empire geographically from Venice and Sicily to Cyprus and Turkey from Greece to Egypt the Middle East and North Africa. But it is also the Mediterranean of Renaissance Italian cities and *Romeo and Juliet* is a beautiful example of how exotic frontiers for an English gaze may be replaced by closer yet different cultural Mediterranean frames. The volume offers studies on the circulation of the story of *Romeo and Juliet* and its ancient archetypes in early modern Europe from Greece to Italy France and Spain as well as on contemporary receptions and performances of Shakespeare's play in Sicily the Balkans Israel and Jordan.

*Friends and Heroes* Olivia Manning, 1974    *Delta*, 1966    **Balkan Trilogy** Olivia Manning, 1987    **Balkan Inferno** Wes Johnson, 2007 The inside story of the break up of Yugoslavia and the bloody events that followed    *Solstice*, 1966    **Olivia Manning** Neville Braybrooke, Isobel English, 2004 Olivia Manning was born in Portsmouth to a naval family in 1908 and she made an independent if penurious life for herself as a young woman painting furniture and reading film scripts for MGM. Her first novel was published in 1937. Olivia married Regie Smith a lecturer in the British Council and they resided in Bucharest. After the war she was at the centre of the London literary scene.

**The Balkans and the West** Andrew Hammond, 2004 This timely collection investigates how the Balkans and the West have constructed each other since 1945. Scholars from both sections of the continent explore a wide variety of fiction film journalism travel writing and diplomatic records both to analyse Western European balkanism and to study Balkan representations of the West over the last fifty years. This dual emphasis exposes the representational practices that help to maintain a deeply divided Europe and challenges the economic and political injustices that result. Despite the rise of postcolonialist analyses of global inequality the current crises in many parts of South East Europe have received scant attention in literary and cultural studies. *The Balkans and the West* addresses this deficiency. Ranging in focus from Serbian cinema to Romanian travel literature from Western economic writings to Yugoslav fiction and from public discourse in Albania to NATO's vast propaganda machine the essays offer wide insight into representation and power in the contemporary European context.

*The Balkan Prism* Johanna Deimel, 2007    **The Oxford Companion to English Literature** Margaret Drabble, 2006 This text has now been revised again to incorporate the latest developments for instance the current success of children's and crossover literature such as that of J K Rowling and Philip Pullman. However the Companion also remains faithful to Sir Paul Harvey's original vision of an authoritative work placing English literature in its widest context. No other volume offers such extensive exploration of the classical roots of English literature and the European authors and works that influenced its development. The appendices have also been updated the winners of the major literary awards and the chronology spanning a thousand years of English literature from *Beowulf* to *Small Island*. Informed by the latest scholarly thinking and comprehensively cross referenced to guide the reader to topics of related interest the revised 6th edition reaffirms the pre-eminence of the Companion as the best available single volume guide to English literature.
