starch vegetables and marinades all derive from fresh nature grown ingredients All recipes are flexible and can be changed to your preference or substituted due to allergies This cookbook will be categorized by chapters of food items separately such as Appetizers Soups Salads Dressings Sauces Beef Poultry Duck Pork Lambs Veal Fish Vegetables Vegetarian dishes Starches Pasta and Casserole dishes The reason for this is that you will have the flexibility to choose what you want to eat that particular day and choose your favorite pairings to the dish you wish to create to impress your families or friends Along the way of learning from great Chefs I have learned that the best way to getting great flavors to foods is to marinate foods overnight This will allow the herbs to marry into the food The best way is to plan ahead the day before In order to accomplish that you have to choose what you want to eat and follow what the recipes says to do If you happen to forget to plan ahead or you are in a rush you can always do the dish you want to do all you have to do is marinate the food items at least 4 8 hours before starting the cooking process I am confident that I will please you with all my recipes that I have in this cookbook I am hoping that you will enjoy all the fabulous meal that you will cook for your friends and families and they will go home with a happy stomach Again I would like to thank you all for buying my cookbook and I wish you all an Happy Cookin Sincerely Deaf Chef Paul Hansen
