Andrews Air Base and within minutes of notification a squadron of F18 jets had surrounded the aircraft The team leader contacted Hodges and reported that he too was unable to communicate with the pilot Then the pilot said something that made Hodges s skin crawl Dulles there seems to be multiple objects protruding through the fuselage of the plane Understand the visibility up here is marginal but those objects look a lot like body parts Hodges instantly felt a gnawing pain centered in the pit of his stomach Thus began one young man s journey into the crypts of the unknown It was a place where all reality was an illusion
