Harkness, 1999-11-13 John Dee s angel conversations have been an enigmatic facet of Elizabethan England s most famous natural philosopher s life and work Professor Harkness contextualizes Dee s angel conversations within the natural philosophical religious and social contexts of his time philosophy and the apocalypse and argues that they represent a continuing development of John Dee s earlier concerns and interests These conversations include discussions of the natural world the practice of natural philosophy and the apocalypse [The spiritual diary of Emanuel Swedenborg, Tr. by G. *The Memoirs of Laetitia Horsepole* John Fuller, 2015-05-14 Discovered in the secret compartment of a North Italian cabinet this enchanting manuscript may or may not be complete and it may or may not be intended for posterity Undeterred by these uncertainties John Fuller gives us the early nineteenth century memoirs of Laetitia Horsepole painter philosopher and femme fatale Shelley apparently came across this formidable woman aged ninety on his travels through Italy and became her confidant and neighbour Why the reader may wonder is she not better known Why indeed That long spell in Madagascar certainly interrupted her career She was prickly and disinclined to ingratiate herself with the arbiters of fashionable taste And then her virtual disappearance to Italy didn t help matters But her obscurity gives added piquancy to the memoirs which her idiosyncratic art theory and philosophy apart are above all a dramatic eighteenth century adventure in five acts which reflect her tempestuous involvement with the five husbands of her life from the brutish Crowther and the dull and the rich but louche Count Chiavari Laetitia reflects on the vagaries of love and erotic involvement on art and men on flora and fauna and reveals for the first time what actually happened in Madagascar Shamelessly enjoyable teasingly allusive irresistibly funny and sometimes sad Laetitia s is quite simply a brilliant and bewitching romance full of truths that lie deeper than fact

**A Conversation with an Angel** Dr. Jan Cooper, 2017-04-19 This is a delightful story of how an ordinary youth of simplistic means was called upon by an angel sent by God The angels mission is to mentor this young man and prepare him for his lifes work It is a fascinating journey that will keep your interest until the end This story will have you crying for more while teaching you about life It will touch your heart [The True Christian Religion](#) Emanuel Swedenborg, 1873

tedious and uneventful life meets Bill an angel on an undisclosed assignment They start a series of conversations covering a variety of issues Gradually these sessions develop into a friendship Being an angel Bill is capable of analyzing intricate situations and offering infallible solutions but his talents are greatly limited when it comes to love      **Conversation with Angels** Dror B. Ashuah,2008-11 It is our intention to help you realize your full potential by guiding you through the mechanism of spirit From our perspective it is simple You have two main tools and the rest is a variation on this theme The first is love and the second is intent These two are the vehicle and the fuel You contain all you need and you create what you need when you are in the now When you are walking hand in hand with your breath feeling your heartbeat you are powerful The joy comes from being you with you You are vibrating instruments To yourselves you appear solid but to us you are a vibration We see you in terms of your colors we see you in term of your light we see you in terms of the shapes that surround you and we can hear your melody You are a giant orchestra and pyrotechnic display combined You are beautiful to us you are magnificent in every way When a human plants a seed of enlightenment all around will begin to see the light Light does not have an agenda Light does not try to convince anyone of its attribute Light just reveals what is there It is an awesome power to realize your oneness and to set an intention to vibrate at a higher frequency Discovering your true purpose and your oneness will manifest a bridge of light that will open the path to a new consciousness And so be it      *The Amra Choluim Chilli of Dallan Forgaill* Saint Dallán Forgaill,1871      **The True Christian Religion** Emanuel Swedenborg,1952
