History of Romantic Literature Frederick Burwick, 2019-08-19 Historical Narrative Offers Introduction to Romanticism by Placing Key Figures in Overall Social Context Going beyond the general literary survey A History of Romantic Literature examines the literatures of sensibility and intensity as well as the aesthetic dimensions of horror and terror sublimity and ecstasy by providing a richly integrated account of shared themes interests innovations rivalries and disputes among the writers of the late eighteenth and early nineteenth centuries Drawing from the assemblage theory Prof Burwick maintains that the literature of the period is inseparable from prevailing economic conditions and ongoing political and religious turmoil as well as developments in physics astronomy music and art Thus rather than deal with authors as if they worked in isolation from society he identifies and describes their interactions with their communities and with one another as well as their responses to current events By connecting seemingly scattered and random events such as the bank crisis of 1825 he weaves the coincidental into a coherent narrative of the networking that informed the rise and progress of Romanticism Notable features of the book include A strong narrative structure divided into four major chronological periods Revolution 1789 1798 Napoleonic Wars 1799 1815 Riots 1815 1820 Reform 1821 1832 Thorough coverage of major and minor figures and institutions of the Romantic movement including Mary Wollstonecraft Elizabeth Montague and the Bluestockings Lord Byron John Keats Letitia Elizabeth Landon etc Emphasis on the influence of social networks among authors such as informal dinners and teas clubs salons and more formal institutions With its extensive coverage and insightful analysis set within a lively historical narrative History of Romantic Literature is highly recommended for courses on British Romanticism at both undergraduate and post graduate levels It will also prove a highly useful reference for advanced scholars pursuing their own research
