Conversations With Jesus:

The Conversations of Jesus Simon J. Kistemaker, 2004-10-01 Through Scripture and spoken word Jesus continues to attract millions of followers today In many ways those who seek Christ now differ little from those whose stories we learn in the Gospels Peter Nicodemus Mary the Samaritan leper even Judas Professor Simon J Kistemaker has spent his professional life studying the words and actions of those who spent time with Jesus In The Conversations of Jesus he offers a glimpse into the lives of those who were touched by encounters with Jesus Christ Readers will find much in common with these first century people including their feelings of inadequacy confusion and joy at meeting the Savior Ideal for laypersons and pastors The Conversations of Jesus helps readers strengthen their walks with Christ as they learn about others who have walked this path before *Conversations with Jesus, Vol 1, KJV* Jeff Musgrave, 2021-07-23 **Conversations with Jesus Christ from the Gospel of John** Marilyn Kunz, Catherine Schell, 1960 **Let Me Ask You a Question** Matthew Croasmun, 2018-07-01 We often think of Jesus as someone with all the answers But over and over in scripture he asks questions seeking to engage with people and genuinely interested in their responses Matthew Croasmun challenges readers to consider this book as an experiment an opportunity to see whether God is real He invites us to enter into conversation with Jesus by answering the questions Jesus asks in scripture The goal is not to come up with what we think are the right answers but to respond honestly to Jesus questions Each chapter of this six week study contains five readings Each reading follows this format A Bible passage with a question Jesus asks in bold type A short reflection designed to help you engage with Jesus question as he asked it in the Gospels and as he asks it of you now Space for you to continue the conversation with Jesus Written in a warm encouraging style this thought provoking and imaginative book will certainly give readers entry points into conversation with God and they may find themselves experiencing a deeper relationship with the divine than they ever thought possible Conversations with Jesus Youth For Christ, 2009-08-30 Help your students hear what Jesus has to say to them Following the Youth For Christ 3Story model of evangelism this 60 day devo presents Scripture to students in daily letters from Jesus They ll learn to abide in Christ and connect their own story to God s story through the daily readings and journaling opportunities In this daily conversation they ll discover their role in God s story **Conversations with Jesus, Updated and Revised Edition** Youth For Christ, 2012-02-07 Help your students hear what Jesus has to say to them Following the Youth For Christ 3Story model of evangelism this 60 day devo presents Scripture to students in daily letters from Jesus They ll learn to abide in Christ and connect their own story to God s story through the daily readings and journaling opportunities In this daily conversation they ll discover their role in God s story *A Conversation with Jesus... on Relationships* David Helm, 2019 The woman at the well meets Jesus Finding satisfaction in Jesus Part of the A Conversation with Jesus series Jesus Conversations Dave Sterrett, 2021-10-05 A practical how to guide for Christians who want to share their faith in more effective and natural ways How are we to talk about Jesus to someone who does not believe the way we do

Very few of us feel comfortable articulating the truthfulness of Christ's death and resurrection to a peer outside of the church. Sometimes Christians feel intimidated by the objections of unbelievers who may say "That's right for you but not for me" or "That's just your opinion." Jesus Conversations provides questions, answers, and relational tips in overcoming these conversation stoppers. Along with biblical insights and apologetics, readers will see firsthand examples and stories of ordinary people who share the gospel while visiting nursing homes, throwing parties, renting out bars for open-minded skeptics, and more. Sterrett's book equips followers of Jesus to become winsome and confident in communicating the truths of the gospel to nonbelievers. It would be most effective for college students and will resonate with those who are familiar with the I Am Second movement.

Key points and features: Provides strategies and practical insights to help Christians become courageous in engaging in conversations with those who might not believe in the authority of the Bible. Practical, relatable, and accessible.
