The Conversation of Buster Drumwright Jesse Hill Ford,1964
Ford,1964-01-01 *Literature of Tennessee* Ray Willbanks,1984 Southern Excursions George Garrett,James Conrad McKinley,2003-03-01 Few if any are better endowed than George Garrett to comment on the general and the particular the long and the short of southern letters in our time Garrett a prolific and internationally renowned author of fiction poetry drama and biography as well as a teacher editor critic and frequent jurist for literary competitions has been immersed in the writers and literature of his native region for almost a half century Southern Excursions contains more than fifty of the best essays reviews and other short pieces of his career For the connoisseur of good writing this book is a depository a treasure a veritable time capsule of southern literary and American culture Without sacrificing reverence for modern masters such as Faulkner O Connor and Welty Garrett has consistently embraced worthy new artists through the years deftly and judiciously drawing the line between critical acclaim and popular success Payton Davis Shelby Foote Walker Percy William HoVman Madison Jones Reynolds Price Robert Morgan R H W Dillard Wendell Berry Doris Betts William Goyen Mary Lee Settle Randall Kenan David Huddle Allan Gurganus Dorothy Allison these are a few of the writers Garrett has championed If some names sound less familiar Garrett in these pages will inspire readers to swift investigation The author s charm wit and anecdotal style make reading Southern Excursions a delight and yet there s no mistaking his erudition Wise like a prophet with a talent scout s enthusiasm Garrett is not afraid to tell unwelcome truths covering topics that include southern publishing houses and literary quarterlies the alliance between writers and academia the state of criticism and theory and most eloquently the persistence of place memory and the Civil War as themes in southern letters Southern Excursions is a book for the ages stowing as it does the sage views of one as learned respected and modest in his time as George Garrett My strong suggestion to readers he states is to plunge in and fare forward Experience the story before turning to or trusting the opinions and judgments of others myself included *Where No Flag Flies* Mark Royden Winchell,2000 **Southern Writers** Joseph M. Flora,Amber Vogel,2006-06-21 This new edition of Southern Writers assumes its distinguished predecessor s place as the essential reference on literary artists of the American South Broadly expanded and thoroughly revised it boasts 604 entries nearly double the earlier edition s written by 264 scholars For every figure major and minor from the venerable and canonical to the fresh and innovative a biographical sketch and chronological list of published works provide comprehensive concise up to date information Here in one convenient source are the South s novelists and short story writers poets and dramatists memoirists and essayists journalists scholars and biographers from the colonial period to the twenty first century What constitutes a southern writer is always a matter for debate Editors Joseph M Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense New to this volume are younger writers who have emerged in the quarter century since the dictionary s

original publication as well as older talents previously unknown or unacknowledged For almost every writer found in the previous edition a new biography has been commissioned Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners Southern Writers is an indispensable reference book for anyone intrigued by the subject *The Fugitive Legacy* Charlotte H. Beck,2001-01-01 Previously the protégés of John Crowe Ransom Allen Tate Donald Davidson and Robert Penn Warren have received considerable scholarly attention only as individuals or in relation to small groups of close knit writers within single literary genres Now for the first time this far ranging group of accomplished writers is united as part of a larger phenomenon the Fugitive legacy which has extended its influence far beyond the parameters of southern literature In *The Fugitive Legacy* Charlotte H Beck demonstrates the strong influence of the Nashville Fugitives as teachers editors and mentors by examining the extraordinary impact on American letters of the critics poets and fiction writers whom they taught or sponsored By treating the careers of these brilliant authors as a single chapter in literary history Beck makes an invaluable contribution to the understanding of southern literature The cultural importance of the Fugitives has too often been confused with the narrow politics of Agrarianism and relegated to a reactionary piety for regionalism and dead tradition *The Fugitive Legacy* fills a void in southern literary theory by revealing the resounding echo of this group's voice in modern American literature *The Georgia Review* ,2006 **The Southern Quarterly** ,1994 **Writers Directory** NA NA,2016-03-05 *The Publishers' Trade List Annual* ,1973 **The Southern Review** ,1990 **Tennessee Librarian** ,1964 *The Transatlantic Review* ,1960 *Reports of the President and the Treasurer - John Simon Guggenheim Memorial Foundation* John Simon Guggenheim Memorial Foundation,1965 Includes biographies of fellows appointed reappointments publications musical compositions academic appointments and index of fellows *Atlantic* ,1960 **The Tennessee Rifleman** Sons of the Revolution.
