In each chapter, she travels to a different corner of the Inner Sea to describe how and why these essential ingredients are

obtained what determines their quality and where they fit in local cuisines Each chapter draws on history and ethnography as much as on the lives of Mediterranean people today Readers will delight in Majid Mahjoub the colorful Tunisian Shakespeare of olive oil and commiserate with Provencal cheese maker Yves van Weddingen as he struggles to maintain his standards in the face of bureaucratic demands Home cooks will garner a new appreciation of high quality Spanish jamon de bellota as they follow the Trigo family through the annual winter ritual of transforming the family pig into hams and sausages More than 170 contemporary accessible recipes simple to reproduce at home bring the foods and the regions alive while additional chapters include basic procedures and staples as well as a helpful guide to ingredient sources The Essential Mediterranean gets to the heart of this world celebrating its diverse food cultures and the shared ingredients that are the essence of these remarkable cuisines
