**Copernicus and His World** Hermann Kesten,1945      The Development of Human Ideas Concerning the Physical World  
Leonard Benedict Loeb,1929      **After Ireland** Declan Kiberd,2018-01-08 Ireland is suffering from a crisis of authority  
Catholic Church scandals political corruption and economic collapse have shaken the Irish people's faith in their institutions  
and thrown the nation's struggle for independence into question While Declan Kiberd explores how political failures and  
economic globalization have eroded Irish sovereignty he also sees a way out of this crisis After Ireland surveys thirty works  
by modern writers that speak to worrisome trends in Irish life and yet also imagine a renewed more plural and open nation  
After Dublin burned in 1916 Samuel Beckett feared the birth of a nation might also seal its doom In *Waiting for Godot* and a  
range of powerful works by other writers Kiberd traces the development of an early warning system in Irish literature that  
portended social cultural and political decline Edna O'Brien Frank O'Connor Seamus Heaney and Michael Hartnett lamented  
the loss of the Irish language Gaelic tradition and rural life Nuala Ní Dhomhnaill and Eavan Boland grappled with institutional  
corruption and the end of traditional Catholicism These themes though bleak led to audacious experimentation exemplified in  
the plays of Brian Friel and Tom Murphy and the novels of John Banville Their achievements embody the defiance and  
resourcefulness of Ireland's founding spirit and a strange kind of hope After Ireland places these writers and others at the  
center of Ireland's ongoing fight for independence In their diagnoses of Ireland's troubles Irish artists preserve and extend a  
humane culture planting the seeds of a sound moral economy      *Man and His World* ,1968      **The Warner Library: The
