Alex And The Hobo A Chicano Life And Story:

Alex and the Hobo José Inez Taylor, James M. Taggart, 2003-07-01 When a ten year old boy befriends a mysterious hobo in his southern Colorado hometown in the early 1940s he learns about evil in his community and takes his first steps toward manhood by attempting to protect his new friend from corrupt officials Though a fictional story Alex and the Hobo is written out of the life experiences of its author Jos Inez Joe Taylor and it realistically portrays a boy s coming of age as a Spanish speaking man who must carve out an honorable place for himself in a class stratified and Anglo dominated society In this innovative ethnography anthropologist James Taggart collaborates with Joe Taylor to explore how Alex and the Hobo sprang from Taylor s life experiences and how it presents an insider s view of Mexicano culture and its constructions of manhood They frame the story included in its entirety with chapters that discuss how it encapsulates notions that Taylor learned from the Chicano movement the farmworkers union his community his father his mother and his religion Taggart gives the ethnography a solid theoretical underpinning by discussing how the story and Taylor s account of how he created it represent an act of resistance to the class system that Taylor perceives as destroying his native culture
