The Alex Sanders Lectures, 1980 *Alex Sanders Lectures* Alex Sanders, 1984 Western Esotericism and Rituals of Initiation Henrik Bogdan, 2012-02-01 For more than three hundred years the practice of Masonic rituals of initiation has been part of Western culture spreading far beyond the boundaries of traditional Freemasonry Henrik Bogdan explores the historical development of these rituals and their relationship with Western esotericism Beginning with the Craft degrees of Freemasonry the blueprints as it were of all later Masonic rituals of initiation Bogdan examines the development of the Masonic High Degrees the Hermetic Order of the Golden Dawn the most influential of all nineteenth century occultist initiatory societies and Gerald Gardner's Witchcraft movement of the 1950s one of the first large scale Western esoteric New Religions Movements Women and Gender Issues in British Paganism, 1945-1990 Shai Feraro, 2020-06-11 This book explores the ways in which changing views on gender and the place of women in society during the latter half of the twentieth century affected women's participation and standing within British Paganism More specifically it examines how British Wiccans and Wiccan derived Pagans reacted to the rise of second wave feminism and the Women's Liberation Movement in the UK with a special emphasis on the reception of feminist theory hailing from the USA and to the emergence of feminist branches of Witchcraft and Goddess Spirituality during the 1970s and 1980s The book draws on primary sources never before analyzed in an academic context and makes a valuable contribution to the growing body of knowledge on gender and religion during the twentieth century as very little research has been conducted on the relations between the history of modern Paganism and that of second wave feminism in the UK *Handbook of Contemporary Paganism* Murphy Pizza, James R. Lewis, 2009 Contemporary Paganism is a movement that is still young and establishing its identity and place on the global religious landscape The members of the movement are simultaneously growing unifying and maintaining its characteristic diversity of traditions identities and rituals The modern Pagan movement has had a restless formation period but has also been the catalyst for some of the most innovative religious expressions praxis theologies and communities As Contemporary Paganism continues to grow and mature new angles of inquiry about it have emerged and are explored in this collection This examination and study of contemporary Paganism contributes new ways to observe and examine other religions where innovations paradoxes and inconsistencies can be more accurately documented and explained
