Communication is a core leadership function

**1**

## Communicate relentlessly

Communicate information, thoughts and ideas clearly — and frequently — in different media.

**2**

## Simplify

Say what you mean. Be direct. Simple communication can be smart communication.

**3**

## Hold your thoughts

Encourage the other person to offer ideas and solutions before you give yours.

**4**

## Use stories

When you tell a good story, you give life to a vision, goal, or objective.

**5**

## Back it up

If people hear one thing from you and see another, your credibility is shot. People need to trust you.
