Communion The Female Search For Love:

Communion bell hooks,2021-10-12 When truth teller and careful writer bell hooks offers a book I like to be standing at the bookshop when it opens Maya Angelou Renowned visionary bell hooks explored the meaning of love in American culture with the critically acclaimed bestseller All About Love New Visions She continued her national dialogue with the bestselling Salvation Black People and Love Now hooks culminates her triumphant trilogy of love with Communion The Female Search for Love Intimate revealing provocative Communion challenges every woman to courageously claim the search for love as the heroic journey we must all choose to be truly free In her trademark commanding and lucid language hooks explores the ways ideas about women and love were changed by the feminist movement by women s full participation in the workforce and by the culture of self help and reveals how women of all ages can bring love into every aspect of their lives for all the years of their lives Communion is the heart to heart talk every woman mother daughter friend and lover needs to have **The Polyamory Workbook** Sara Youngblood Gregory,2022-11-15 We all want polyamory to be intuitive and refreshing but in reality polyamory is often like being lost at sea overwhelming exhausting and not at all what you imagined The Polyamory Workbook draws key information from real polyamorous people and relationship experts to help you expand your emotional and relational toolbox better preparing you for the dive into nonmonogamy Whether you re new to nonmonogamy or have been practicing polyamory for a while The Polyamory Workbook will help you identify and break away from fear based relationships and journey toward freer more joyful connections *Love Letters to bell hooks* Tricia M. Kress,Robert Lake,Nadia Khan-Roopnarine,Perpetual Anastasia Hayfron,Nicolle Session,2025-09-05 bell hooks was one of the most influential voices in critical and culturally responsive education In recognition of the magnificence of bell s contributions to the field of education this book is the first of its kind to bring together scholars educators and young people to honor her broad and deep legacy Written in letter form each chapter reflects how bell hooks many influential books have shaped the lives and livelihoods of the people who have read them Narrative in style and accessible to a wide audience of readers this collection serves as a bridge between the philosophical and the practical components of bell s work as authors demonstrate the direct influence and application of hooks legacy in their lives Love Letters to bell hooks is a wonderful companion to any of bell s other works and is especially relevant to undergraduate and graduate Education students as well as in service educators pursuing professional development Tangible Grace Evelyn L. Parker,2025-04-29 Evelyn L Parker s Tangible Grace offers professors of homiletics Christian education pastoral care and worship resources to help equip students with an interventionist lens toward teen dating violence The book also is for religious leaders in congregational settings who want to integrate such interventions in their ministries Demystifying and Dignifying Singlehood Uma Jain,2023-11-27 This book aims to demystify and dignify singlehood and bridge a gap in the social narratives by sharing the journeys of single women who live outside the dominant paradigm of marriage Today there are millions of unmarried women and numerous marriages

are ending in divorce but neither the narratives of society nor the consequences that inevitably follow have changed Lives of single women still become the target of undignifying curiosity assumptions judgements and various other uncomfortable feelings Society cannot continue to operate on assumptions and myths rather it needs to know what the lives of single women are and how they are impacted by and impact society Writings in this book will touch not only the lives of single women who are on a journey of creating a new path for themselves but others men as well as women who are not served well by society s dominant narratives Hopefully they will show new pathways on various unexplored terrains Making these ongoing stories of single women public will also build collective awareness and will be a step towards reconstructing and reshaping the dominant narratives in society

All About Black Girl Love in Education Autumn A. Griffin, Yolanda

Sealey-Ruiz, 2024-07-25 Drawing from bell hooks 1999 book All About Love this volume builds on theories of love as they relate to Black Girlhood in education shedding light on educational practices rooted in love and exploring strategies for centering Black girls and love in Grades K 12 Bringing together voices of scholars poets and visual artists who theorize Black Girlhood the collection pays particular attention to practices acts communities and pedagogies of love An antidote to the physical emotional and psychological violence to which Black girls in the United States are subjected on a daily basis at the hands of those who work in schooling environments it shows how teachers school leaders community educators and researchers might use love as a framework for changing the narrative and experiences of Black girls Crucially though in conversation with negative aspects of how Black girls experience school it argues for a shift in perspective that highlights the myriad of ways Black girls do and can receive love within schooling spaces Read through one of the most influential Black feminist scholars of all time it presents a novel alternative to the dearth of research that focuses on the violence neglect and exclusion Black girls experience in schools expands the scholarship on Black girls re centers love in the work that educators do and connects theoretical orientations that characterize Black girl love to practice both in and outside of classrooms It will appeal to scholars researchers and educators working in the fields on urban education race and ethnicity in education gender studies literacy multicultural education and diversity and equity in education

Past and Present: Perspectives on Gender and Love Kelly Gardiner, Sina V. Pfister, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2015 How do humans conceive of enact embody perform control commodify proscribe and portray love and gender How are our bodies our identities our beliefs our representations of ourselves affected by love and gender or perceptions of love and gender What don t we know What don t we talk about Why Have answers to all these questions changed over time Across cultures These and many other questions lie at the heart of this volume on the changing natures and intertwining of gender and love Its contents encompass concepts of love within and of the self in families and between specific family members in sexual and intimate relationships in spiritual practice in communities and seen through many different lenses and from a range of disciplines and approaches Readers may be left with more questions than answers we certainly hope so
