Community Anarchy And Liberty:

Community, Anarchy and Liberty Michael Taylor, 1982-09-09 Author argues for a viable and stable form of anarchic or stateless society relying crucially on a form of community He examines existing anarchic or semi anarchic societies to show that it is possible to maintain ideals in a communitarian anarchy *Community, Anarchy & Liberty* Michael Taylor, 1989

Community, Liberty, Equality and Anarchy M. J. Taylor, Social Science Research Council (Great Britain), 1980

Classics of Political Thought for Today Colin Farrelly, 2024-09-25 Humanity faces numerous critical challenges in the twenty first century from climate change and globalization to pandemics and the impact of technological advances Can the ideas of past political thinkers help us refine the problem solving skills needed to redress the practical predicaments of today In *Classics of Political Thought for Today* Colin Farrelly explores a wide range of historical political thinkers demonstrating how the successes and limitations of these past figures can yield sage insights for how we identify and address the social and political problems of today The book canvasses and critically assesses the ancient Greeks social contract theory conservatism feminism Black political thought utilitarianism and Marxism Farrelly highlights the lessons we can learn from past political thinkers engaging with their ideas in a way that facilitates the intellectual curiosity insight and optimism necessary for addressing the societal predicaments of today and tomorrow

Philosophical Anarchism and Political Obligation Magda Egoumenides, 2014-08-28 Political obligation refers to the moral obligation of citizens to obey the law of their state and to the existence nature and justification of a special relationship between a government and its constituents This volume in the *Contemporary Anarchist Studies* series challenges this relationship seeking to define and defend the position of critical philosophical anarchism against alternative approaches to the issue of justification of political institutions The book sets out to demonstrate the value of taking an anarchist approach to the problem of political authority looking at theories of natural duty state justification natural duty of justice fairness political institutions and more It argues that the anarchist perspective is in fact indispensable to theorists of political obligation and can improve our views of political authority and social relations This accessible book builds on the works of philosophical anarchists such as John Simmons and Leslie Green and discusses key theorists including Rousseau Rawls and Horton This key resource will make an important contribution to anarchist political theory and to anarchist studies more generally

Common-Property Arrangements and Scarce Resources Edward M. Barbanell, 2001-09-30 It is widely held that private ownership is the preferred end state for all scarce resources Those who hold this view have not looked closely enough at water in the American West Barbanell contends Because of water's special attributes private ownership is an ineffective means for protecting individuals interests Splitting the various rights of ownership between individual resources users and the community to which they belong can better protect those interests Barbanell develops a conception of this form of common ownership a common property arrangement and shows that it can function effectively for water in the West More generally he offers an expanded framework for analyzing right relationships

and examining problems related to resource scarcity Some economists argue that John Locke s account of property justifies the private ownership of water in the West Barbanell argues however that because Locke did not think carefully enough about the variable nature of resources his account does not support that conclusion Although economists recognize that private ownership may not be perfectly suited to all resources they are nonetheless skeptical about common ownership alternatives Barbanell shows that this skepticism is unwarranted When the rights relationship among members of a resource community is based on mutual expectations of reciprocal behavior then a common property arrangement can function effectively to control the degradation and depletion of a scarce resource Barbanell s argument that common ownership is a conceptually sound and politically viable alternative for water will be of particular interest to public policy makers environmentalists resource economists and political philosophers

Resistance and Rebellion Roger D. Petersen,2001-05-07 Resistance and Rebellion Lessons from Eastern Europe explains how ordinary people become involved in resistance and rebellion against powerful regimes The book shows how a sequence of casual forces social norms focal points rational calculation operate to drive individuals into roles of passive resistance and at a second stage into participation in community based rebellion organization By linking the operation of these mechanisms to observable social structures the work generates predictions about which types of community and society are most likely to form and sustain resistance and rebellion The empirical material centres around Lithuanian anti Soviet resistance in both the 1940s and the 1987 91 period Using the Lithuanian experience as a baseline comparisons with several other Eastern European countries demonstrate the breadth and depth of the theory The book contributes to both the general literature on political violence and protest as well as the theoretical literature on collective action

Another Liberalism Nancy L. Rosenblum,1987 Another Liberalism contributes an original perspective to debates about the nature and foundations of liberal thought In it Nancy Rosenblum describes the dynamic of romanticism and liberalism as one of mutual opposition and reconciliation She argues that romanticism sees liberalism as cold contractual and aloof And conventional liberal legalism disdains romanticism s longing for all that is personal unique and expressive We learn however that romanticism chastened by its excesses and frustrated by its failures can come home to liberalism We also learn that liberalism can accommodate individuality and expressivity reclaiming what it had repressed Rosenblum creates a typology of romantic reconstructions of liberal thought heroic individualism communitarianism and a new face of pluralism The author draws on nineteenth and twentieth century philosophy and literature on Thoreau Humboldt Constant Stendhal and Mill among others and on contemporary political theorists for whom romanticism is a source not only of aversion to liberalism but also of resources for reform

Voluntarism, Community Life, and the American Ethic Robert S. Ogilvie,2004-06-18 Presenting an account of why people volunteer and the factors that motivate them this study describes how volunteer programs such as the Partnership generate ethical development in and among participants It also suggests that the American ethic is essential for sustaining

community life and to the future well being of a democratic society **Papers ...** Manchester Literary Club,1918 *Papers of the Manchester Literary Club* Manchester Literary Club,1918 *Social Anarchism* ,1999 **Competing for Legitimacy** Salamah Magnuson,2025-07-18 This book answers the question of why and how people form bonds with each other and with insurgent groups in fragile state contexts It develops an overarching framework depicting a political social contract presents the Grievance Driven Pathway as one way through which a reformist insurgency society contract can form and conducts a systematic comparison using two novel case studies not yet evaluated in insurgency literature the UFDR in the Central African Republic and the SLM A in Darfur Sudan The core claim is that perceptions of legitimacy across the four social contract elements lead to consent to form the intangible bond and foster societal and political trust Studying social contracts specifically the interaction between state society contracts and reformist insurgency society contracts facilitates a greater understanding of what constitutes legitimacy in the twenty first century and how perceptions of illegitimacy can lead to a breakdown of trust and the outbreak of violent conflict International Library of Masterpieces, Literature, Art and Rare Manuscripts Harry Thurston Peck,1901 **The World's Great Masterpieces** Harry Thurston Peck,1901 Ridpath Library of Universal Literature ,1908 **Godwin's Political Justice** Mark Philp,1986 a 1793 book by the philosopher William Godwin in which the author outlines his political philosophy It is the first modern work to expound anarchism **Freedom** ,1899 *The Creation of a Community* David Gary Shaw,1993 This is the first scholarly history of the city of Wells in the Middle Ages David Gary Shaw traces the growth of Wells from a rural manor into the prosperous borough it became by the late twelfth century Dr Shaw examines the variety of trades which flourished in Wells including tanning glove making and cloth manufacture and analyzes the composition of the burgess community He also explores the importance of the family the extent of social mobility the position of women and the roles of conviviality on the one hand and religion on the other in shaping communal activity and communal spirit Telos ,1985
