Alisons Diary:

The Compassionate-Mind Guide to Ending Overeating Ken Goss,2011-07-13 You know the cycle you have a stressful day and find yourself snacking or overeating at dinner to make yourself feel better The ritual of eating becomes so calming you can't stop and the guilt and self criticism you feel can lead you to overeat even more the next day What you may not know is that simply replacing your negative feelings with compassion for yourself can interrupt this cycle so that you can meet your emotional needs without resorting to overeating The Compassionate Mind Guide to Ending Overeating presents an evidence based program designed to help you grow a deep and abiding love for your body and health that transcends your emotional connection with food As you work through the worksheets and evaluations in this book you'll discover the specific reasons for your overeating find out which foods trigger you to overeat and then develop satisfying meal plans for getting your eating back on track You'll also build compassionate mind skills for dealing with stress self criticism and shame and establish a balanced eating pattern that will free you from the overeating cycle

The Eating Well Workbook Ken Goss,2025-10-30 Learn to stop overeating for good and discover your own healthy weight and eating habits This compassionate therapeutic workbook explores the problems created by having ready access to high fat foods designed to taste good Because we evolved in conditions of relative scarcity we have few natural food inhibitors and so most diet books try to encourage people to limit their eating using strict rules which have to be constantly worked at However this can lead to self criticism which can undermine efforts at self control As a result our relationship with eating can be complex multifaceted and problematic USING THIS WORKBOOK YOU WILL LEARN HOW TO Understand and work with your urges and passion for food Pay attention to your biological and emotional needs Have a healthier and happier relationship with food and your body If you have tried diets and found that they don't work The Eating Well Workbook is for you THE COMPASSIONATE MIND APPROACH The self help books in this series are based on compassion focused therapy CFT developed by series editor Paul Gilbert This brings together an understanding of how our mind can cause us difficulties but also provides us with a powerful solution in the shape of mindfulness and compassion It teaches ways to stimulate the part of the brain connected with kindness warmth compassion and safeness and to calm the part that makes us feel anxious angry sad or depressed
