Aa The Way It Began:

AA, the Way it Began Bill Pittman,1988 **The Language of the Heart** Trysh Travis,2010-01-01 In *The Language of the Heart* Trysh Travis explores the rich cultural history of Alcoholics Anonymous AA and its offshoots and the larger recovery movement that has grown out of them Moving from AA s beginnings in the mid 1930s as a men s fellowship that met in church basements to the thoroughly commercialized addiction treatment centers of today Travis chronicles the development of recovery and examines its relationship to the broad American tradition of self help highlighting the roles that gender mysticism and bibliotherapy have played in that development **Gleanings in Bee Culture** ,1925 **Not God** Ernest Kurtz,2010-03-26 A fascinating account of the discovery and program of Alcoholics Anonymous *Not God* contains anecdotes and excerpts from the diaries correspondence and occasional memoirs of AA s early figures The most complete history of A A ever written this book is a fast moving and authoritative account of the discovery and development of the program and fellowship that we know today as Alcoholics Anonymous *Federal Probation...* ,1946 *A.A. Grapevine* ,1957 **Alcoholic Thinking** Danny M. Wilcox,1998-03-25 Based on long term observation of Alcoholics Anonymous the author focuses on cultural rather than personal causes of drug dependence The author also discusses how the symbolic action of AA language and culture is the key to recovery This study yields critical information about the development and practice of alcoholism and other drug dependence Through the shared linguistic and cultural interaction of AA the U S cultural ideology that emphasizes individualism personal achievement self control and self reliance is shown to result in conflict thus the gap between the perceived ideal and reality intensifies feelings of separation alienation and isolation leading to dependency This detailed ethnographic narrative of Alcoholics Anonymous is based on three years of participant observation The study suggests that anyone can be victimized by alcoholic thinking Anthropologists sociologists psychologists health care and professional social services organizations will be interested in this book *Addiction and Spirituality* Oliver Morgan,2012-11-09 Religious and secular counselors from a variety of disciplines share their basic approaches in working with addicted persons and their understandings of the spiritual dimension in treatment and recovery *The Legislative Journal* Pennsylvania. source of inspiration guidance and comfort on the journey to recovery This Fourth Edition of Alcoholics Anonymous has been approved by the General Service Conference **Alcoholics Anonymous Comes of Age** Bill W.,1957 More than half a century has gone by since A A s historic 1955 convention in St Louis when the founding members passed on to the entire Fellowship the responsibility for the three Legacies of Recovery Unity and Service This book takes A A members and interested friends on a quick tour of the Convention traces the history and development of the Three Legacies and looks at A A through the eyes of some early non alcoholics who influenced the Fellowship s history The first part is co founder Bill W s reminiscent sketch of the Convention in which he takes an appreciative look at many of the participants and reflects on events that shaped A A The second part consists of Bill s three Convention talks edited and enlarged on the Legacies of Recovery Unity and Service Here is Bill s story how he drank got sober met Dr Bob and other founding members and how they struggled together to keep A A going with little guidance beyond the lessons of experience Then Bill moves on to describe how the Twelve Traditions developed as A A s protective shield against the human faults that lead alcoholics into trouble drunk or sober And he finishes by laying out the development of A A services culminating in the formation of the General Service Conference to serve as guardian of A A s Traditions and world services In the third part readers will meet five early friends of A A Dr Harry Tiebout the first psychiatrist to openly espouse A A Dr W W Bauer of the American Medical Association Jesuit Father Edward Dowling and Episcopal priest Dr Samuel Shoemaker both of whom helped shape A A s spiritual principles and Benard B Smith attorney and longtime chair of the General Service Board These nonalcoholics tell of their association with A A the part they played in its development and their view of what the future holds **Fiftieth**
