

A vibrant, colorful illustration of outer space. The background is a deep blue and purple starry sky. In the upper left, a bright orange and yellow nebula or galaxy is visible. A large, green and blue planet with a white ring system (resembling Saturn) is partially visible on the right. Several satellites and space stations are scattered across the sky. In the foreground, two children, a boy and a girl, are standing on a dark, silhouetted hill, looking up at the stars. To their right is a red, dome-shaped observatory with a yellow light emanating from its window. The title 'Space ABC' is written in a large, yellow, cursive font, with 'Space' in a smaller, flowing script above the large, bold letters 'ABC'.
