

Abe Kobo

Abe Kobo

Abe Kobo:

The Frontier Within Abe Kobo, 2013-06-18 Abe Kobo tackled contemporary social issues and literary theory with the depth and facility of a visionary thinker Jacket cover **The Face of Another** Kobo Abe, 2011-12-14 Like an elegantly chilling postscript to *The Metamorphosis* this classic of postwar Japanese literature describes a bizarre physical transformation that exposes the duplicities of an entire world The narrator is a scientist hideously deformed in a laboratory accident a man who has lost his face and with it his connection to other people Even his wife is now repulsed by him His only entry back into the world is to create a mask so perfect as to be undetectable But soon he finds that such a mask is more than a disguise it is an alternate self a self that is capable of anything A remorseless meditation on nature identity and the social contract *The Face of Another* is an intellectual horror story of the highest order *The Ruined Map* Kobo Abe, 2001-12-04 Of all the great Japanese novelists Kobo Abe was indubitably the most versatile With *The Ruined Map* he crafted a mesmerizing literary crime novel that combines the narrative suspense of Chandler with the psychological depth of Dostoevsky Mr Nemuro a respected salesman disappeared over half a year ago but only now does his alluring yet alcoholic wife hire a private eye The nameless detective has but two clues a photo and a matchbook With these he embarks upon an ever more puzzling pursuit that leads him into the depths of Tokyo's dangerous underworld where he begins to lose the boundaries of his own identity Surreal fast paced and hauntingly dreamlike Abe's masterly novel delves into the unknowable mysteries of the human mind Translated from the Japanese by E Dale Saunders *The Woman in the Dunes* Kōbō Abe, 1972 The Box Man Kobo Abe, 2001-07-10 Kobo Abe the internationally acclaimed author of *Woman in the Dunes* combines wildly imaginative fantasies and naturalistic prose to create narratives reminiscent of the work of Kafka and Beckett In this eerie and evocative masterpiece the nameless protagonist gives up his identity and the trappings of a normal life to live in a large cardboard box he wears over his head Wandering the streets of Tokyo and scribbling madly on the interior walls of his box he describes the world outside as he sees or perhaps imagines it a tenuous reality that seems to include a mysterious rifleman determined to shoot him a seductive young nurse and a doctor who wants to become a box man himself *The Box Man* is a marvel of sheer originality and a bizarrely fascinating fable about the very nature of identity Translated from the Japanese by E Dale Saunders **Beyond the Curve** Kōbō Abe, Juliet Winters Carpenter, 1993-02-01 A collection of works including such stories as *An Irrelevant Death* *The Dream Soldier* *Dendrocalia* *The Special Envoy* and *The Crime of S Karma* **Imperial Beast Fables** Kaori Nagai, 2020-07-28 This book coins the term imperial beast fable to explore modern forms of human animal relationships and their origins in the British Empire Taking as a starting point the long nineteenth century fascination with non-European beast fables it examines literary reworkings of these fables such as Rudyard Kipling's *Jungle Books* in relation to the global politics of race language and species The imperial beast fable figures variably as a key site where the nature and origins of mankind are hotly debated an emerging space of conservation in which humans enclose animals to

manage and control them a cage in which an animal narrator talks to change its human jailors and a vision of animal cosmopolitanism in which a close kinship between humans and other animals is dreamt of Written at the intersection of animal studies and postcolonial studies this book proposes that the beast fable embodies the ideologies and values of the British Empire while also covertly critiquing them It therefore finds in the beast fable the possibility that the multitudinous animals it gives voice to might challenge the imperial networks which threaten their existence both in the nineteenth century and today

Three Plays by Kobo Abe Kōbō Abe,1993 Three plays by one of contemporary Japan s most prominent writers Involuntary Homicide The Green Stockings The Ghost is Here translated for this volume reveal Kobo Abe s deep love of absurdity in the face of universal concerns

The Face of Another Kōbō Abe,1969 Beasts Head for Home Kōbō Abe,2017-05-23 In the aftermath of World War II Kuki Ky z a Japanese youth raised in the puppet state of Manchuria struggles to return home to Japan What follows is a wild journey involving drugs smuggling chases and capture Ky z finally makes his way to the waters off Japan but finds himself unable to disembark His nation remains inaccessible to him and now he questions its very existence Beasts Head for Home is an acute novel of identity belonging and the vagaries of human behavior from an exceptional modern Japanese author

The Ark Sakura Kōbō Abe,1988 The protagonist of Abe s creation nicknamed Mole by himself and Pig by others is a dreamer and something of a mad inventor He turns an underground quarry into an ark that can survive a nuclear war and starts to recruit passengers to accompany him on a voyage

The Ark Sakura Kobo Abe,2009-02-10 A classic from the renowned Japanese novelist about isolation and the threat of a nuclear holocaust The Ark Sakura is as timely today as it was at its original publication In this Kafkaesque allegorical fantasy Mole has converted a huge underground quarry into an ark capable of surviving the coming nuclear holocaust and is now in search of his crew He falls victim however to the wiles of a con man cum insect dealer In the surreal drama that ensues the ark is invaded by a gang of youths and a sinister group of elderly people called the Broom Brigade led by Mole s odious father while Mole becomes trapped in the ark s central piece of equipment a giant toilet powerful enough to flush almost anything including chopped up humans out to sea

Beyond Nation Richard Calichman,2016-03-02 In the work of writer Abe K b 1924 1993 characters are alienated both from themselves and from one another Through close readings of Abe s work Richard Calichman reveals how time and writing have the ability to unground identity Over time attempts to create unity of self cause alienation despite government attempts to convince people to form communities and nations to recapture a sense of wholeness Art then must resist the nation state and expose its false ideologies Calichman argues that Abe s attack on the concept of national affiliation has been neglected through his inscription as a writer of Japanese literature At the same time the institution of Japan Studies works to tighten the bond between nation state and individual subject Through Abe s essays and short stories he shows how the formation of community is constantly displaced by the notions of time and writing Beyond Nation thus analyzes the elements of Orientalism culturalism and racism that often underlie the appeal to collective Japanese

identity **The Woman in the Dunes** Kobo Abe,2011-12-14 The Woman in the Dunes by celebrated writer and thinker Kobo Abe combines the essence of myth suspense and the existential novel After missing the last bus home following a day trip to the seashore an amateur entomologist is offered lodging for the night at the bottom of a vast sand pit But when he attempts to leave the next morning he quickly discovers that the locals have other plans Held captive with seemingly no chance of escape he is tasked with shoveling back the ever advancing sand dunes that threaten to destroy the village His only companion is an odd young woman Together their fates become intertwined as they work side by side at this Sisyphean task

Japanese Science Fiction Robert Matthew,2003-09-02 After the Meiji Restoration of 1868 Japan modernized rapidly transforming itself perhaps more quickly than any other country in history However the change was not without its conflicts many of them still unresolved as the pleasures of modern society vie with a respect for the traditional Japanese lifestyle As the literature of change and of the young science fiction acts as a window to the modern mind and the uneasy alliance of the old and new This book filled with detailed reference to numerous stories traces the origin and development of the genre from the mid nineteenth century to today thus exploring unique insights into Japanese attitudes to commercialism spirituality the media war and international relations

Secret Rendezvous Kobo Abe,2002-07-09 From the acclaimed author of *Woman in the Dunes* comes *Secret Rendezvous* the bizarrely erotic and comic adventures of a man searching for his missing wife in a mysteriously vast underground hospital From the moment that an ambulance appears in the middle of the night to take his wife who protests that she is perfectly healthy her bewildered husband realizes that things are not as they should be His covert explorations reveal that the enormous hospital she was taken to is home to a network of constant surveillance outlandish sex experiments and an array of very odd and even violent characters Within a few days though no closer to finding his wife the unnamed narrator finds himself appointed the hospital s chief of security reporting to a man who thinks he s a horse With its nightmarish vision of modern medicine and modern life *Secret Rendezvous* is another masterpiece from Japan s most gifted and original writer of serious fiction

Rethinking Japan: Literature, visual arts & linguistics Adriana Boscaro,Franco Gatti,Massimo Raveri,1990 First Published in 1995 Routledge is an imprint of Taylor Francis an informa company

Box Man, The □□□□,1975 □□□ Abe, Kobo,1967 A young entomologist trapped in a sandpit with an attractive widow finds he is a prisoner

Rethinking Japan Vol 1. Adriana Boscaro,Franco Gatti,Massimo Raveri,2014-01-27 These papers explore the debate over new directions in Japanese studies
