Abiding Hope Tamara Windahl,2016 There are the times in our lives when hope is hard to find when we often have more questions than answers and when fear and worry clamor to be our constant companions Abiding Hope offers encouragement and inspiration for those times T Windahl has endured many trials in her life including four cancers within ten years but she is a survivor T shares treasured lessons learned through the pages of Abiding Hope **A New And Right Spirit** Rick Barger,2005-03-01 In a postmodern culture shaped by consumerism it s little wonder that there is confusion about what the church is supposed to be in the 21st century In A New and Right Spirit Rick Barger argues passionately for congregations to reexamine what it means to be an authentic church in a culture where authenticity is hard to come by He demonstrates the pitfalls of technical solutions to congregational problems and shows the way to making adaptive change Recognizing the spiritual needs of a success oriented society he exhorts leaders to turn away from the story of our culture and to return to the story of the church that is grounded in Christ and the resurrection *Real-Life Homeschooling* Rhonda Barfield,2002-04 Recounts the experiences of twenty one families who homeschooled their children exploring the various teaching strategies that were used and discussing why some worked and others didn t *Cultural Architecture* Douglas A. Hill,2021-01-26 Cultural Architecture A Path to Creating Vitalized Congregations by Douglas A Hill shifts the conversation about congregational vitality squarely onto cultural development Hill makes the case that Jesus s concern was for generating a human culture that produces life for all and that the church is to serve as the foundation for such a culture Hill utilizes insights from the fields of Bible theology ecclesiology organizational intelligence anthropology and psychology His integration of theory and examples for practical application guide congregational leaders in becoming culturally aware as they engage in strategic congregational development Hill casts a vision that he calls anchor church in which vitalized congregations apply his system of cultural architecture while accompanying struggling congregations on a path toward redevelopment He also provides vision for how denominations and judicatories can support congregations in their quest for vitality Cultural Architecture A Path to Creating Vitalized Congregations serves to assist pastors and leaders as they guide their congregations through the painstaking and intensive process of redevelopment It provides hands on tools to guide congregational leaders in creating vision core values and strategic plans It is a valuable resource to professors of practical theology and internship supervisors as they instruct students in organizational development Judicatory leaders can utilize this book for training their pastors and leaders in cultural awareness as it relates to congregational development Although Hill s approach is grounded in his experiences within the Evangelical Lutheran Church in America his systems for cultural architecture can be applied to congregations of any denomination Abiding Hope Angela Benson,2003-06-01 Arriving in Odessa Mississippi to run a social services program after the death of their six year old son Marvin and Sharonetta Taylor must place their faith in God and their marriage when Shay becomes determined to have another child a decision that could
