

THE GUEST HOUSE

*This being human is a guest house.
Every morning a new arrival.*

*A joy, a depression, a meanness, some momentary awareness
comes as an unexpected visitor.*

*Welcome and entertain them all!
Even if they are a crowd of rogues, who violently sweep
your house empty of its furniture, still, treat each guest
honorably.
He may be clearing you out for some new delight.*

*The dark thought, the shame, the malice, meet
them at the door laughing and invite them in.*

*Be grateful for whatever comes,
because each has been sent us
a guide from beyond.*

Poetry Pauses Brett Vogelsinger, 2023-02-07 This book is about the power of words and how we use them in life to improve the world both our own microcosm and the great wide world beyond The opening abecedarian mines those big broad abstract ideas in a way that feels concrete and illuminating In general collecting words can open our eyes to new possibilities as writers A confluence of ideas from two skilled brilliant teachers helped me realize the brainstorming potential in word collections Poetry pauses offer us the gift of discovery They invite us to slow down and think They invite us to craft our thinking alongside some of the most inventive technically talented writers to have ever lived Poetry can offer a salve a poke a hug a challenge an inscrutable mystery or an immutable truth We just need to slow down enough to notice

Poetry without Tears Michael Baldwin, 2024-01-15 First published in 1959 Poetry without Tears is a book not about what poetry is The author argues that this book is not concerned with the educational resurrection of a dead art but about the artistic resurrection of education Poetry is a force released in activity That is how an educationalist and a poet see it It is rarely how critics and academics see it They see it as a series of poems correspondingly it is as a Collection of Poems that it is taught Basic educational truths are frequently overlooked in our teaching of the arts and no art suffers more from this than poetry Baldwin goes on to say that in the end teaching is a creative activity and the creators are the best teachers This book is a must read for students of both literature and education
