Abortion A Positive Decision:

Abortion Patricia Lunneborg, 1992-01-27 This book couldn't be more welcome more timely It takes an overlooked position that abortion is not the lesser of two evils but a positive turning point in many women's lives In addition to absorbing countless studies Lunneborg talked with more than 100 women who have had abortions as well as with health care workers and counselors She found that most women do not regret their decision Many found it to be a key reassessment point in their lives they looked at the directions their lives were heading their relationships their attitudes toward their bodies their methods of birth control and they made significant changes Although definitely prochoice Lunneborg's effort balances antichoice propaganda that paints women who have abortions as irresponsible and selfish for the women Lunneborg presents are thoughtful and articulate Lunneborg says she wrote the book to help women through the abortion decision making process and to give health care workers and counselors more information when working with patients But really it ought to be required reading for anyone embroiled in an abortion debate Booklist The first book to focus on abortion decision making this self help counseling resource takes a decidedly positive stance Challenging the view that abortion is the lesser of two evils Patricia Lunneborg maintains that it is moral life enhancing supportive to families and beneficial to the lives of millions of women Opposing public opinion that abortion is acceptable only in special cases she contends that the best reason to have an abortion is simply the desire not to bear an unwanted child Bashing the concept of the so called Postabortion Stress Syndrome she reports positive aftereffects such as feelings of relief a new sense of control over one's life and increased maturity Lunneborg a retired professor of psychology and women's studies bases her views on over 100 interviews with women who have had abortions and with abortion providers as well as research findings and her own experiences What's more in these pages she allows women who have had abortions to share what they learned about themselves how their dreams for education and career were positively affected how the children they chose to have are benefiting from their decision Perhaps most important many of the women tell of tremendous personal growth resulting from making a considered choice to have an abortion for some their first major decision Clearly stating her perspective at the outset Lunneborg describes those who have abortions women of all ages ethnic backgrounds and walks of life and who provides the procedure She offers strategies for making the decision discusses teenage situations explains how to use the experience as an opportunity for reassessment and growth and stresses the value of talking about abortion both for women who have had the procedure and for other people who are often unaware of the positive effects A complete presentation her book also sheds light on counseling before and after an abortion contraception family planning the impact on education and careers effects on relationships with others and the work of the dedicated group of people who provide abortions Throughout Lunneborg's tone is conversational warm easy to read Indispensable for any woman considering the procedure Abortion A Positive Decision also provides invaluable help to women who seek a reaffirming view of past abortion decisions psychotherapists and

counselors and those who provide abortion services **Breaking the Abortion Deadlock** Eileen L. McDonagh, 1996
McDonagh's approach by bridging the divide between pro-life and pro-choice advocates revolutionizes the abortion debate in a way that opens up a whole new avenue for resolving the abortion conflict and advancing women's rights *From Menarche to Menopause* Joan Chrisler, 2014-06-11
From Menarche to Menopause: The Female Body in Feminist Therapy examines the latest research on the menstrual cycle and women's reproductive health. This timely volume focuses on women in therapy who are disconnected from or even repelled by their own bodies due to cultural attitudes, abuse, trauma, or the natural aging process. Experts in the fields of psychology and women's health unite to celebrate the physical life stages of women and girls and to offer practical advice for therapists to use when addressing negativity caused by appearance, age, menstrual symptoms, or reproductive concerns. In this book, you will gain new understanding about the effects on a woman's mental health that transitional life stages can cause from preadolescence through the childbearing years to menopause. The suggestions in *From Menarche to Menopause* can help women resist the bombardment of negative messages and misleading information they receive about their bodies and their reproductive concerns. This helpful resource can also assist you in opening new lines of communication between mothers and daughter, women and men, and women and other women. *From Menarche to Menopause* discusses how to handle topics such as self-loathing caused by media and cultural messages that affect women's acceptance of their bodies, overcoming a daughter's reluctance to discuss sensitive topics of bodily maturation, menstruation, and emerging sexual development, helping women, men, and couples cope with infertility, assisting women in overcoming a disappointing birth experience, providing therapeutic care to women and couples who experience perinatal loss, addressing perimenopause in midlife women, and the concerns, negative attitudes, and uncertainty of this transition. This unique book fills the gap in feminist therapy literature with practical advice concerning the functions of women's bodies that can be used within the therapy context. *From Menarche to Menopause* includes extensive references and several book reviews to further your research and provide reading and other resources you can recommend to your clients. This practical resource on women's reproductive health as it relates to mental health is an important addition to the bookshelves of feminist psychologists, clinical practitioners, social workers, and health practitioners, as well as faculty and students of these disciplines. Abortion Patricia Lunneborg, 1992-01-27
This book couldn't be more welcome, more timely. It takes an overlooked position that abortion is not the lesser of two evils but a positive turning point in many women's lives. In addition to absorbing countless studies, Lunneborg talked with more than 100 women who have had abortions, as well as with health care workers and counselors. She found that most women do not regret their decision. Many found it to be a key reassessment point in their lives; they looked at the directions their lives were heading, their relationships, their attitudes toward their bodies, their methods of birth control, and they made significant changes. Although definitely pro-choice, Lunneborg's effort balances anti-choice propaganda that paints women who have abortions as irresponsible and selfish for the

women Lunneborg presents are thoughtful and articulate Lunneborg says she wrote the book to help women through the abortion decision making process and to give health care workers and counselors more information when working with patients But really it ought to be required reading for anyone embroiled in an abortion debate Booklist The first book to focus on abortion decision making this self help counseling resource takes a decidedly positive stance Challenging the view that abortion is the lesser of two evils Patricia Lunneborg maintains that it is moral life enhancing supportive to families and beneficial to the lives of millions of women Opposing public opinion that abortion is acceptable only in special cases she contends that the best reason to have an abortion is simply the desire not to bear an unwanted child Bashing the concept of the so called Postabortion Stress Syndrome she reports positive aftereffects such as feelings of relief a new sense of control over one s life and increased maturity Lunneborg a retired professor of psychology and women s studies bases her views on over 100 interviews with women who have had abortions and with abortion providers as well as research findings and her own experiences What s more in these pages she allows women who have had abortions to share what they learned about themselves how their dreams for education and career were positively affected how the children they chose to have are benefiting from their decision Perhaps most important many of the women tell of tremendous personal growth resulting from making a considered choice to have an abortion for some their first major decision Clearly stating her perspective at the outset Lunneborg describes those who have abortions women of all ages ethnic backgrounds and walks of life and who provides the procedure She offers strategies for making the decision discusses teenage situations explains how to use the experience as an opportunity for reassessment and growth and stresses the value of talking about abortion both for women who have had the procedure and for other people who are often unaware of the positive effects A complete presentation her book also sheds light on counseling before and after an abortion contraception family planning the impact on education and careers effects on relationships with others and the work of the dedicated group of people who provide abortions Throughout Lunneborg s tone is conversational warm easy to read Indispensable for any woman considering the procedure Abortion A Positive Decision also provides invaluable help to women who seek a reaffirming view of past abortion decisions psychotherapists and counselors and those who provide abortion services

Representing Latina/x Reproductive Decision-Making Melissa Huerta, 2022-08-16 Representing Latina x Reproductive Decision Making examines representations of reproductive decisions in cultural texts and engages with scholarship on Latina x representation to interrogate what these representations mean for Latinx popular culture Melissa Huerta demonstrates that cultural texts ranging from the work of Teatro Luna and television series like Jane the Virgin and Vida to the film Quincea era and Favianna Rodriguez s artwork can challenge traditional notions of Latina x reproductive decisions pointing to more inclusive understandings of people s experiences Huerta argues for the importance of cultural representation in theater television film and art and analyzes the roles language and images play in shaping meaning This book will be of interest to scholars of

cultural studies gender studies Latin American studies and film and media studies *Highlights in contraception and family planning 2021/22* Berna Dilbaz, Tamara Fetters, 2023-10-05 *Abortion* Tamara L. Roleff, 1997 Presents opposing viewpoints on the legality morality responsibility for and justification of abortion Includes critical thinking skills activities **Abortion** Paul Sachdev, 1981 Issues in Feminism Sheila Ruth, 1998 This best selling text reader offers 65 interdisciplinary readings drawn from work in the humanities and the social sciences Classic and contemporary selections represent both feminist and anti feminist viewpoints in an examination of women s lives and the ways in which women can effect alternatives to traditional gender roles Extensive chapter introductions place selections in context define and explain concepts and terminology and provide a cohesive framework for the collection **Digest of Decisions of the United States Courts**, 1917 **Choice**, 1995 Abortion in Psychosocial Perspective Henry Philip David, 1978 *Abortion* Patricia W. Lunneborg, 1992 *Abortion & Common Sense* Ruth Dixon-Mueller, Paul K. B. Dagg, 2002 ABORTION COMMON SENSE cuts through the rhetoric and misinformation surrounding the abortion debate to look at the facts Four of every ten women in the United States will have at least one abortion in their lifetimes Worldwide 46 million women terminate their pregnancies every year some safely some dangerously Demonstrating that placing arbitrary restrictions on girls and women s access to safe early abortion is illogical unworkable and unfair the authors urge that the humane treatment of problem pregnancies be integrated into health and family planning programs as a routine element of good medical care and of an equitable and rational social policy Sampling of reviews a near perfect primer on reproductive health and policy issues accessible to the lay public Conscience A NewsJournal of Catholic Opinion For the helping professional the information and perspectives presented are invaluable Cognica Canadian Counselling Association I would hope that every medical student has the opportunity to read this book Wendy Savage British Medical Women s Federation balanced and well researched with global and culturally sensitive perspectives Journal of the American Board of Family Practice an extremely well organized very readable well argued and well supported resource CHOICE Journal of the American Library Association **The Abortion Dilemma** Miriam Claire, 1995-08-21 Miriam Claire a member of the Board of Advocates of Planned Parenthood Federation of America convincingly argues that education not blind faith is the key to making an informed choice Through fascinating international and multi denominational interviews the author creates a path of learning compassion and understanding that provides a reasonable foundation for an educated opinion and will help you define how you feel about abortion **Abortion** Sandra M. Alters, 2010-04-09 Provides both sides of the divisive argument surrounding abortion Also includes information on the number and types of abortions performed in the United States abortion clinics teen pregnancy and abortion views of abortion from around the world religious thoughts on abortion and legal rulings pertaining to abortion **California Appellate Decisions** California. District Courts of Appeal, 1913 **Practical Decision Making in Health Care Ethics** Raymond J. Devettere, 2009-12-04 For nearly fifteen years Practical Decision Making in Health Care Ethics has offered

scholars and students a highly accessible and teachable alternative to the dominant principle based theories in the field Devettere s approach is not based on an ethics of abstract obligations and duties but following Aristotle on how to live a fulfilled and happy life in short an ethics of personal well being grounded in prudence the virtue of ethical decision making This third edition is revised and updated and includes discussions of several landmark cases including the tragic stories of Terri Schiavo and Jesse Gelsinger the first death caused by genetic research Devettere addresses new topics such as partial birth abortion law embryonic stem cell research infant euthanasia in The Netherlands recent Vatican statements on feeding tubes organ donation after cardiac death new developments in artificial hearts clinical trials developed by pharmaceutical companies to market new drugs ghostwritten scientific articles published in major medical journals and controversial HIV AIDS research in Africa This edition also includes a new chapter on the latest social and political issues in American health care Devettere s engaging text relies on commonsense moral concepts and avoids academic jargon It includes a glossary of legal medical and ethical terms an index of cases and thoroughly updated bibliographic essays at the end of each chapter that offer resources for further reading It is a true classic brilliantly conceived and executed and is now even more valuable to undergraduates and graduate students medical students health care professionals hospital ethics committees and institutional review boards and general readers interested in philosophy medicine and the rapidly changing field of health care ethics

Signposts Earl F. Palmer, 1990 The Gallup Poll Alec M. Gallup, Frank Newport, 2008-06-27 This work is the only complete compilation of polls taken by the Gallup Organization the world s most reliable and widely quoted research firm It is an invaluable tool for ascertaining the pulse of American public opinion in a certain year as well as for documenting changing perceptions over time of crucial core issues such as women s rights and health care It is necessary for all social science research More than just a collection of polls The Gallup Poll offers in depth commentary and analysis placing current topics in a readable historical context Survey results are given in a easy to use form Breakdowns by sex age race level of education and other factors enable the reader to grasp major issues quickly

Abortion A Positive Decision Introduction

In the digital age, access to information has become easier than ever before. The ability to download Abortion A Positive Decision has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Abortion A Positive Decision has opened up a world of possibilities. Downloading Abortion A Positive Decision provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Abortion A Positive Decision has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Abortion A Positive Decision. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Abortion A Positive Decision. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Abortion A Positive Decision, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Abortion A Positive Decision has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Abortion A Positive Decision Books

1. Where can I buy Abortion A Positive Decision books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Abortion A Positive Decision book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
