The Man Upstairs and Other Stories Sir Pelham Grenville Wodehouse, 2004-01-01

THERE were three distinct stages in the evolution of Annette Brougham's attitude towards the knocking in the room above In the beginning it had been merely a vague discomfort Absorbed in the composition of her waltz she had heard it almost subconsciously The second stage set in when it became a physical pain like red hot pincers wrenching her mind from her music Finally with a thrill in indignation she knew it for what it was an insult The unseen brute disliked her playing and was intimating his views with a boot heel Defiantly with her foot on the loud pedal she struck almost slapped the keys once more Bang from the room above Bang Bang Annette rose Her face was pink her chin tilted Her eyes sparkled with the light of battle She left the room and started to mount the stairs No spectator however just could have helped feeling a pang of pity for the wretched man who stood unconscious of imminent doom possibly even triumphant behind the door at which she was on the point of tapping Come in cried the voice rather a pleasant voice but what is a pleasant voice if the soul be vile Annette went in The room was a typical Chelsea studio scantily furnished and lacking a carpet In the centre was an easel behind which were visible a pair of trousered legs A cloud of grey smoke was curling up over the top of the easel I beg your pardon began Annette I don't want any models at present said the Brute Leave your card on the table I am not a model said Annette coldly I merely came At this the Brute emerged from his fortifications and removing his pipe from his mouth jerked his chair out into the open I beg your pardon he said Won't you sit down How reckless is Nature in the distribution of her gifts Not only had this black hearted knocker on floors a pleasant voice but in addition a pleasing exterior He was slightly dishevelled at the moment and his hair stood up in a disordered mop but in spite of these drawbacks he was quite passably good looking Annette admitted this Though wrathful she was fair I thought it was another model he explained They've been coming in at the rate of ten an hour ever since I settled here I didn't object at first but after about the eightieth child of sunny Italy had shown up it began to get

on my nerves Annette waited coldly till he had finished I am sorry she said in a this is where you get yours voice if my playing disturbed you One would have thought nobody but an Eskimo wearing his furs and winter under clothing could have withstood the iciness of her manner but the Brute did not freeze I am sorry repeated Annette well below zero if my playing disturbed you I live in the room below and I heard you knocking No no protested the young man affably I like it Really I do Then why knock on the floor said Annette turning to go It is so bad for my ceiling she said over shoulder I thought you would not mind my mentioning it Good afternoon No but one moment Don t go She stopped He was surveying her with a friendly smile She noticed most reluctantly that he had a nice smile His composure began to enrage her more and more Long ere this he should have been writhing at her feet in the dust crushed and abject You see he said I m awfully sorry but it s like this I love music but what I mean is you weren t playing atune It was just the same bit over and over again I was trying to get a phrase said Annette with dignity but less coldly In spite of herself she was beginning to thaw There was something singularly attractive about this shock headed youth

The Man Upstairs and Other Stories P. G. Wodehouse,2021-01-12 Featuring nineteen sweet and humorous works of short fiction P G Wodehouse s The Man Upstairs and Other Stories is filled with depictions of peculiar and sometimes disastrous methods of courtship In Something to Worry About a young woman named Sally is forced to live with her aunt and uncle after her film obsession is deemed unladylike When the young men of the village hear of this they begin to shower Sally with gifts and attention all hoping to be her suitor but none are more persistent than the shy neighbor boy Tom Deep Waters follows a playwright and skilled swimmer named George who despite his career success goes to the pier to pout There he notices Mary who is swimming in the water below In an effort to keep her in his sight George falls off the pier into the water and Mary swims to his rescue When they get back to shore Mary offers George swimming lessons which George decides to accept despite his skills in order to spend time with Mary Finally the title story The Man Upstairs depicts Annette a short tempered composer who is bothered by a knocking on her apartment ceiling After her investigation she begins a close friendship with her upstairs neighbor who is an artist unaware that he is being dishonest about his identity With the classic and witty prose of P G Wodehouse each story within The Man Upstairs and Other Stories is carefully crafted with humor and sentiment While providing a simple and fun reading experience The Man Upstairs and Other Stories also explores the culture of British high society allowing contemporary readers a glimpse into a privileged historic class This edition of The Man Upstairs and Other Stories by P G Wodehouse features a new eye catching cover design and is printed in an easy to read font making the classic both readable and modern

The Man from Rome and Other Stories Marie Van Vorst,1908 [The Missing Kidney and other stories](#) Maxine Rosaler,2025-05-13 Set in the grungy New York City of the 1970s and 80s these stories convey a sense of the enchantment that lurks on the flip side of every moment as if the meaning of life were hidden within the static being blasted out of the loudspeakers on a subway platform or a scrap of newspaper preserved under ice on a cold winter s day A girl tries to save the boy she loves from his

crippling love for his uncle A champion of social justice talks herself into believing that the man she finds sexually repulsive is a perfect fit for her perfectly ordered life A man kneels on the sidewalk before a memorial he constructed for his girlfriend as a crowd of curious onlookers gather around him Rosaler deals out the fates of a vivid array of complex characters with unflagging energy wit and a delight in the details of city life The Legend of Gold and Other Stories Jun Ishikawa,1998-10-01 The four stories and novella translated in this volume represent the best short fiction by Ishikawa Jun 1899 1987 one of the most important modernist writers to appear on the Japanese literary stage during the years before and after World War II Throughout his career Ishikawa resisted the tide of popular opinion to address issues of political and artistic significance and thereby paved the way for a generation of Japanese internationalists and experimentalists including Abe Kobo and Oe Kenzaburo Highly acclaimed and respected in Japan Ishikawa remains little known in the West in part because of the tendency of Western critics and readers of Japanese literature to focus on writers concerned with aesthetic issues Combining a strong interest in politics with a brilliant use of modernist techniques Ishikawa s work defies easy categorization Banned in 1938 Mars Song has been called the finest example of anti war fiction written during Japan s march to war in China and the Pacific In it Ishikawa denounces the chorus of jingoism that swept Japan and via a metafictional tale within a tale he warns against the suicidal destruction to which complicity in warmongering will lead The allegorical Moon Gems written in the spring of 1945 further explores the tenuous position of the writer moving against the current in a country not only still at war but very near defeat In The Legend of Gold and The Jesus of the Ruins both from 1946 Japan has been reduced to a charred wasteland yet Ishikawa envisions destruction as fertile ground for rebirth and resurrection Finally the semi surrealist novella The Raptor plumbs the meanings and possibilities of peace in the post Occupation era William Tyler s eminently readable translations are faithfully expressive of stylistic and tonal nuances in the original works In a perceptive introduction and the critical essays that follow Tyler emphasizes Ishikawa s importance as an anti establishment even resistance writer and argues that the writer s political iconoclasm goes hand in hand with the modanizumu of his literary experimentation The Legend of Gold will be of tremendous importance in enlarging a Western understanding of the development of the writer s role as social critic and the evolution of the modernist movement in postwar Japan *postcard and other stories* Anik See,2009-09-01 A high school math teacher drifts from a moored boat to a downtown trance club while negotiating her problematic relationship with an alcoholic older brother A displaced Toronto book designer deliberates dreams daydreams and delusions that result from a lone encounter with philosopher Mark Kingwell A dissatisfied nomad traverses the globe from Vancouver to Persepolis chasing fleeting intimacies of her own as she tries to conjure confessions for the dead In these six stories Anik See meticulously deconstructs love art and identity blurring the distinctions between momentary lust and long term intimacy and loss and fulfillment Throughout these explorations of somewhat muddled lives See demonstrates an uncanny ability to distill often unsettling truths in prose that is intelligent subtle and unerringly cool

Intricate yet precise postcard and other stories offers the reader a lucid perspective on the blurry bewildering business of being human

The Tales of Chekhov: The chorus girl and other stories Anton Pavlovich Chekhov,1917 **THE EXILES AND OTHER STORIES** RICHARD HARDING DAVIS,1894 *An Instrument of the Gods, and Other Stories of the Sea* Lincoln Colcord,1922 *Bluebeard's keys; and other stories* Anne Thackeray Ritchie,1876 *An Angel at My Table* Janet Frame,2016-12-01

The autobiography of New Zealand s most significant writer New Zealand s preeminent writer Janet Frame brings the skill of an extraordinary novelist and poet to these vivid and haunting recollections gathered here for the first time in a single volume From a childhood and adolescence spent in a poor but intellectually intense railway family through life as a student and years of incarceration in mental hospitals eventually followed by her entry into the saving world of writers and the Mirror City that sustains them we are given not only a record of the events of a life but also the transformation of ordinary facts and ideas into a shining palace of mirrors Frame s journey of self discovery from New Zealand to London to Paris and Barcelona and then home again is a heartfelt and courageous account of a writer s beginnings as well as one woman s personal struggle to survive This book contains selections from the long out of print collection entitled Janet Frame An Autobiography George Brazillier 1991 which itself was originally published in three volumes To the Is land An Angel at My Table and The Envoy from Mirror City *Albert Maurice, and other stories* Albert Maurice (fict.name.),1884 **The Politician and Other Stories** Khamsing Srinawk,Lão Khamhôm,1991 **The Notary's Nose, and Other Stories** Edmond About,1882 The long exile, and other stories (What men live by ; Yermak, the conqueror of Siberia ; Desire stronger than necessity ; Stories of my dogs ; Early days ; Scenes from common life ; Stories from physics ; Tales from zoology ; Stories from botany ; Fables ; From the new speller ; Yasnaya Polyana school ; Who should learn writing of whom ... ; A dialogue among clever people ; Walk in the light while there is light graf Leo Tolstoy,1913 **The Horla ; Miss Harriet ; Little Louise Roque ; and Other Stories** Guy de Maupassant,1910 *The Novels and Stories of Iván TurgéniEFF ...: The brigadier, and other stories* Ivan Sergeevich Turgenev,1905 *Murphy's Master, and Other Stories* James Payn,1873
