Above The Lower Sky:

Above the Lower Sky Tom Deitz, 1994 A murder tale involving two Native American diplomats in Mexico Thunderbird O Conner of the Cherokee embassy and Stormcloud Nez of the Navaho embassy It is the 21st Century and Indians have their own diplomatic posts the tribes having seceded from the U S By the author of *Windmaster's Bane* *Above Sumatra* James Jackson, 2007-02-26 Gil Kramer is a Canadian pilot on a Royal Air Force squadron in Ceylon now Sri Lanka It is 1943 and the Japanese after a brief attack have bypassed the island and shifted to Burma in their drive to India Kramer's squadron equipped with long range B24 Liberator aircraft is based in the hot and humid jungle embodying all that is destructive of the soul Kramer arrives keen for action but the months of inactivity leach away his resolve Letters from his high school sweetheart Jessica seem so unreal that he breaks off with her and is unmoved on hearing she has married his boyhood friend Chuck Leowey back in Canada after a tour on bombers in Europe After eight months he has found refuge in lethargy and is shocked to be picked for promotion to flight commander As he wrestles with this threat the jungle's terror is manifest in a bandit gang's night attack on the camp Kramer is wounded taking him beyond his emotional breaking point In hospital a malevolent engineering officer helps convince him the promotion will empower him to master the jungle but then his friend Leowey arrives unexpectedly to take the flight commander job Kramer is stunned The jungle is no longer his enemy but his element he retreats into it and becomes one of its creatures He emerges to air test the aircraft Leowey is to fly on a 14 hour photographic sortie to Sumatra and okays it despite a defect in its controls and Leowey is killed on takeoff He flies the sortie in Leowey's place so heavy with guilt that he is ready to let a huge approaching tropical storm destroy the aircraft But his blind will to survive asserts itself and the Liberator gets through The storm drains him of emotion and cleanses his soul He sees his failure was not the jungle's corrupting power but his own weakness In the bleak morning light before landfall on Sumatra he is left spiritually empty And then from 25 000 feet for the photo run he sees earth is no longer a suffocating jungle but as something sublime a magnificent amphitheatre of green mountains and dramatic ravines glowing in morning mists with a thin strip of habitation clinging to the ocean's edge He realizes the humanity he shares with those below confirms his own humanity that he had almost lost The possibility of redemption is so powerful that he delays leaving the target giving time for the Japanese fighters to climb to the attack *Above Sumatra* was first published in 1964 by Baxter Publishing of Toronto as *To the Edge of Morning* The great Canadian poet Earle Birney wrote of it Not since St Exupery has any story teller caught me up so powerfully into the terrible and beautiful world of flight *Genesis and Cosmos* Adam Rasmussen, 2019-03-25 In *Genesis and Cosmos* Adam Rasmussen examines how Basil and Origen addressed scientific problems in their interpretations of Genesis 1 For the first time he offers an in depth analysis of Basil's thinking on three problems in Scripture and science the nature of matter the super heavenly water and astrology Both theologians worked from the same fundamental perspective that science is the servant of Christianity useful yet subordinate Rasmussen

convincingly shows how Basil used Origen's writings to construct his own solutions. Only on the question of the water does Basil break with Origen who allegorized the water. Rasmussen demonstrates how they sought to integrate science and Scripture and thus remain instructive for those engaged in the dialogue between religion and science today.
