## **Abra A Novel:**

Abra Joan Barfoot, 1978      Abra Joan Barfoot, 2000-02-08 Abra is a beautifully written and sensitive novel about a woman who completely rejects her life as wife and mother to become a hermit. Abra achieves the peace she abandoned all for accomplishing harmony of spirit and being. Everything is challenged however when Abra is sought out and confronted by the daughter she deserted now an adult dealing with the pain and desperation left over from childhood. Abra's daughter Katie is intent on convincing Abra that she must return to the world she rejected years before. Set in an isolated cabin with no mirrors, no clock, but the rhythm of nature, this is the novel for anyone who has ever imagined a life free from the demands of any other human, a life of responsibility only to oneself, a life of unshared joy and danger, weakness and strength. Abra was the Winner of the Books in Canada First Novel Award in 1978.      *Methods and Meaning in the Novels of Stephen King* James Arthur Anderson, 2024-07-29 This book explores the techniques, themes, and subtexts in the fictional works of one of America's best known and most loved storytellers, Stephen King. Each of King's novels are analyzed in chronological order of their publication, from *Carrie* to *Holly*. Every novel's analysis includes a background and summary, narrative devices, archetypes that influenced the novel, themes and subtexts, human universals, interesting facts, and notable quotes. As an invaluable resource for any Stephen King Constant Reader and students of literature in general, this work appreciates the beauty of King's fiction without needing to master the jargon of contemporary literary criticism.      John Steinbeck's Global Dimensions Kyoko Arika, Luchen Li, Scott Pugh, 2008 Though a highly regarded American writer, John Steinbeck's appeal and influence extend far beyond North American borders. In *John Steinbeck's Global Dimensions*, editors Kyoko Arika, Luchen Li, and Scott Pugh have assembled some of the best in current critical analysis of the Nobel Prize winner's work. A compilation of papers by scholars from the U.S., Japan, China, Korea, India, and Slovenia, this work provides a window into the critical reception of Steinbeck's works around the globe. In doing so, this volume incorporates diverse approaches, including cultural studies, film analysis, gender studies, and most especially comparative studies of sociopolitical, philosophical, and religious motifs in Steinbeck's fiction. This collection includes four parts, each considering a broad dimension of Steinbeck's work. The cultural and social dimensions of his fiction are considered with essays by prominent scholars on moral philosophy, dysfunctional families, Ayn Rand's possible influence, and other topics. The second section focuses on aesthetic dimensions, including considerations of Steinbeck's theatrical vision and postmodern aspects of his work. The third section considers reader reception issues and, in particular, surveys Islamic, Buddhist, and Indian philosophy echoed in the author's works. The final section of the book is an essay considering the global possibilities for future Steinbeck studies. A convenient casebook of the latest in Steinbeck studies, this volume documents the breadth of current international interest in his fiction, his films, and his philosophy. The included essays are particularly useful for showing critical readings from various cultural standpoints, readings that often stand in sharp, interesting contrast to each other. Overall, this collection of essays gives an unmatched

sense of how John Steinbeck's work continues to reach readers and scholars around the world
