Evangelical Pilgrims from the East Sunggu Yang,2016-11-18 In this book Sunggu Yang proposes five socio ecclesial codes as unique faith fundamentals of Korean American Christianity Drawing from rigorous research and years of ecclesial experience Yang names the codes as follows the Wilderness Pilgrimage code the Diasporic Mission Code the Confucian Egalitarian code the Buddhist Shamanistic code and the Pentecostal Liberation code These five codes he asserts help Korean Americans sustain their lives culture faith and evangelical mission as aliens or pilgrims in the American wilderness Yang outlines how his five proposed codes serve as liberative and prophetic mechanisms of faith through which Korean Americans can contribute to racial harmony and cultural diversity in North America In this sense Korean American Christianity its theology and spirituality works not only on behalf of Korean Americans but also for the sake of all Americans Yang shows how the Korean American pulpit is the locus where these five codes appear most vividly **Knowing Who You Are** Malcolm J. Gill,2015-06-10 Throughout the history of the church many excellent books have been written addressing the theological significance of Christian identity Such works have delineated important doctrines such as adoption justification and sanctification While these studies of being in Christ have been fruitful and numerous they have often neglected one of the most useful tools in understanding Christian identity namely the use of metaphor A search of Scripture reveals that Jesus and his apostles frequently utilized images from everyday life to illustrate spiritual truths about our identity In this fresh work **Knowing Who You Are** invites the reader to explore eight lesser known images of Christian identity found in the New Testament Among others the author investigates how being a Christian is like being a boxer in ancient Corinth a citizen in Philippi a farmer in Galilee and a sheep in a flock This engaging assessment of first century images will draw the reader in and leave them challenged encouraged and often surprised as they discover afresh what it means to be Christian **The holy Bible for travellers & pilgrims** , The All Complete Guides team comprises a dedicated group of experts who specialize in creating comprehensive resources for travel city exploration and language learning Our experts have journeyed to every corner of the globe from the bustling streets of the world s most vibrant cities to the serene landscapes of hidden destinations Their extensive travel experiences ensure that each guide is packed with practical tips insider knowledge and must see attractions making every trip an unforgettable experience **A Pilgrim People** Gerald W Schlabach,2019-10-28 Recent decades have seen a steady trend in Roman Catholic teaching toward a commitment to active nonviolence that could qualify the church as a peace church As a moral theologian specializing in social ethics Schlabach explores how this trend in Catholic social teaching will need to take shape if Catholics are to follow through Globalization he argues is an invitation to recognize what was always supposed to be true in Catholic ecclesiology Christ gives Christians an identity that crosses

borders To become a truly catholic global peace church in which peacemaking is church wide and parish deep Catholics should recognize that they have always properly been a diaspora people with an identity that transcends tribe and nation state
