William Makepeace Thackeray

Abraham Lincoln His Story In His Own Words:

Abraham Lincoln, His Story in His Own Words Abraham Lincoln, 1975 Two autobiographical campaign sketches and excerpts from his letters and speeches provide a narrative of the Great Emancipator's life and presidency from his Kentucky birth to three days before his assassination

Abraham Lincoln Ralph Geoffrey Newman, 1970 [McClellan's Own Story](#) George B. McClellan, 1998-05 Born in Philadelphia on December 3 1826 George B McClellan graduated from West Point in 1846 before serving in the Mexican War At the start of the Civil War McClellan was put in a position of leadership and after a successful campaign in Virginia he was given command of the Army of Potomac one of the Union's strongest armies He led the Peninsular campaign with almost 100 000 troops under his command marching toward Richmond Although McClellan was a brilliant administrator who possessed good strategic sense the record shows that he was overcautious and consistently overestimated the strength of his adversaries always demanding more men and supplies before undertaking offensive action In 1862 McClellan disagreed with Abraham Lincoln and advanced on Richmond from the east instead of moving directly against the Confederates at Manassas Virginia Although the Union army was successful during the Peninsular campaign their failure to take Richmond the Confederate capital gave the South new motivation Dissatisfied with the campaign and McClellan Lincoln replaced him with Henry W Halleck as commander in chief After the defeat of the Union army in the Second Battle of Bull Run he was again placed in active command of the Army of the Potomac His overcautiousness at the battle of Antietam on September 17 1862 led to a draw instead of a Union victory Because of the heavy Union losses he was again relieved of his command by Lincoln for the duration of the war The Democratic Party nominated McClellan in 1864 as its candidate for president a peace platform but Abraham Lincoln defeated him After serving as governor of New Jersey From 1878 to 1881 McClellan died in Orange New Jersey on October 29 1885

[The Raising of a President](#) Doug Wead, 2005-03-15 God bless my mother all I am or ever hope to be I owe to her Abraham Lincoln What are the family circumstances that have created our presidents How did their upbringing shape their future and ours New York Times bestselling author Doug Wead answers these questions in one of the most comprehensive studies of presidential families to date When one thinks about the leadership qualities of George Washington and Theodore Roosevelt or the intellectual prowess of John Adams and Abraham Lincoln it is hard to imagine them as children It is even more difficult to envision the parents of our leaders especially the larger than life idols of our political past Our greatest presidents have entered the Oval Office armed with overwhelming ambition intellect and political savvy But were these characteristics evident in childhood The Raising of a President is a groundbreaking look at the parents of the American presidents full of never before seen facts and anecdotes as well as psychological profiles based on Wead's findings He analyzes the types of families into which our presidents were born and sheds a fascinating light on how their destinies were shaped during childhood Using countless presidential correspondences and letters as well as notes from hours of his own private conversations and interviews with six

presidents and first ladies Wead focuses specifically on the early life of our first president George Washington John Adams John Quincy Adams and the making of our nation s first political empire the humble beginnings of our greatest president Abraham Lincoln the privileged upbringing of Franklin Delano Roosevelt the ambitious rise of John Fitzgerald Kennedy and the quiet dynasty led by George H W Bush and his son George W Bush Throughout *The Raising of a President* readers will find that the circumstances and events that would destroy most children were often the very things that sparked greatness in our nation s future leaders These are the stories of the presidents parents but in a truer sense they are the stories of the presidents themselves from a perspective that is long overdue
