Morris, 1998-06 Tells the awesome story of how Abraham became the ancestors of Christianity *The Family Tree of Abraham* James Kendall, 2008 Next the trunk of the tree appears filled with names Abraham Isaac and Jacob can be seen We see a man at the base of the tree who can it be but Abraham The sun is rising on a new day that will fulfill Gods wonderful plan for the world and its peoples In *The Family Tree of Abraham* author James Kendall approaches some of the most well known stories of the Bible uncovering major themes sharing with readers the Word of God and forming a solid foundation for the expansion of personal faith Through narrative and symbols the stories of the Bible will unfold for readers of all ages and walks of life enabling the sharing of Gods Word and the hope for everlasting life God's Messy Family Jacob Armstrong, 2018-08-07 Genealogy is widely considered to be one of the fastest growing hobbies in the U S We have become consumed with constructing our family tree in an attempt to trace our lineage Fortunately the Bible does an excellent job helping us trace the ancestry of our faith family Pastor and author Jacob Armstrong takes an in depth look at our faith lineage focusing specifically on the messy family dynamics found in the book of Genesis As we begin to understand the life stories of Abraham Sarah Isaac Rebekah Jacob and Esau we find that their pattern looks a lot like ours we are called we mess up and God continues to redeem us Find out how your messy family fits into God s family and how you are a part of God s plan for the world Additional components for a six week study include a DVD featuring pastor and author Jacob Armstrong and a comprehensive Leader Guide Also available for your church is a helpful guide to small groups titled *The Connected Life Small Groups that Create Community Chapters* include *The Myth of the Perfect Family* *The Gap Between What God Says and What You See* *No Nothing Is Too Hard for the Lord* *Loss and Promise in the Family of God* *Promise Maker and Promise Keeper* *The Beauty of Imperfection* **Abraham,**

**Called by God** Witness Lee,1998 A remarkable commentary on the life of Abraham from the Book of Genesis Abraham Called by God presents Abraham as a genuine man fallen but called by God Like him readers are admonished to learn the lessons of faith through trial testing and failure in order to enter into the promises and blessings of God *Abraham*

Terence E. Fretheim,2007 A critical reassessment of the story of Abraham s chosen family and its impact on three faiths In an inviting style that showcases his literary discernment theological sophistication and passion for the biblical text Terence E Fretheim turns his attention to one of the most dramatic stories of the Old Testament that of Abraham Sarah Hagar Isaac and Ishmael Through close readings of Genesis 12 through 25 Fretheim guides readers through the intricacies of the plot from God s surprising call to Abraham to leave home and family to God s enigmatic commands to evict one son and sacrifice another Extending the vein of analysis in which he previously has written to wide acclaim Fretheim examines Abraham s family and assesses the significant roles it plays across three religions Judaism Christianity and Islam Relating biblical narrative to theological concerns Fretheim wrestles with such controversial concepts as God s selection of an elect people the gift of land and other promises the role of women and outsiders the character of God and the suffering of innocents In addition Fretheim contributes to the increasingly important interreligious dialogue surrounding Abraham by examining the continuing conversation among Muslims Christians and Jews about the place of Hagar and Ishmael in Abraham s family Throughout the text Fretheim frames the narrative as rooted in the trials of family and faith that define the story of Abraham as the father of three religions *Genealogical chronology of the world before Christ, ed. by K.A. McMurdo* Albert Welles,1889 [Life-study of Genesis](#) Witness Lee,2026-01-21 Life study of Genesis presents the book of Genesis in a completely new light Strictly speaking Genesis is neither a book of creation nor a book of biographies It is a book of life God uses the record of creation to show the matter of life God uses the biographies of eight persons to show how He needs a life to fulfill His purpose The entire Bible is God s revelation Most of the seeds of the divine revelation were sown in Genesis These seeds grow in the following books of the Bible especially in the New Testament reaching maturity and producing a harvest in the book of Revelation Virtually all the items of the divine revelation sown in Genesis are reaped as a great harvest in the book of Revelation In this book Witness Lee develops each of these seeds of the divine truth **Abraham's Family**

Donald Fishgrab,2016-01-09 The book of Genesis provides the basis of much of the teachings of both Judaism and Christianity It also provides a record of the relationships between members of Abraham s family God and various neighboring groups over a period of nearly three hundred years This makes it one of the longest running studies of such relationships ever done By studying these relationships we can learn a lot about why people develop certain attitudes and respond to different situations As a result we can make reasonable predictions as to how changes in our behavior will affect our children and our neighbors It also helps to understand our own reactions *Reports of Cases Decided in the Court of Appeals of the State of New York* New York (State).
