Buffalos First Century:

Buffalo's First Century, 1984 *Half Century Discourse* Walter Clarke, 1862 Commemorates the 50th anniversary of the organization of the First Presbyterian Church in Buffalo N Y in Feb 1812 **Wyoming Range War** John W. Davis, 2012-09-05 Wyoming attorney John W Davis retells the story of the West's most notorious range war Having delved more deeply than previous writers into land and census records newspapers and trial transcripts Davis has produced an all new interpretation He looks at the conflict from the perspective of Johnson County residents those whose home territory was invaded and many of whom the invaders targeted for murder and finds that contrary to the received explanation these people were not thieves and rustlers but legitimate citizens The broad outlines of the conflict are familiar some of Wyoming's biggest cattlemen under the guise of eliminating livestock rustling on the open range hire two dozen Texas cowboys and with range detectives and prominent members of the Wyoming Stock Growers Association invade north central Wyoming to clean out rustlers and other undesirables While the invaders kill two suspected rustlers citizens mobilize and eventually turn the tables surrounding the intruders at a ranch where they intend to capture them by force An appeal for help convinces President Benjamin Harrison to call out the army from nearby Fort McKinley and after an all night ride the soldiers arrive just in time to stave off the invaders annihilation Though taken prisoner they later avoid prosecution The cattle barons powers of persuasion in justifying their deeds have colored accounts of the war for more than a century Wyoming Range War tells a compelling story that redraws the lines between heroes and villains Folklore, Public Sphere, and Civil Society M. D. Muthukumaraswamy, Molly Kaushal, 2004 In the Indian context papers presented at a symposium held at New Delhi in 2002 **Publications of the Buffalo Historical Society** Buffalo Historical Society, 1903 **Buffalo** G. A. Bollinger, Jim Gatchell Memorial Museum, 2009 Buffalo the county seat of Johnson County in northeastern Wyoming began in 1878 as an army town adjacent to Fort McKinney 1877 1894 Since that foundation was laid Buffalo has been witness to gold prospectors and settlers as a waypoint along the Bozeman Trail nearby battles during the ensuing Indian Wars and the Cattle War of 1892 Those events and their associated hard times helped forge the town's unique heritage and culture and made its place in American history significant It was recently referred to as an epicenter of Western frontier history by local museum educator Bob Edwards Buffalo's site at the boundary between the Big Horn Mountains and the Northern High Plains is not only historic but particularly beautiful and it also provides superb grasslands for cattle and sheep ranching Those industries plus mining lumbering and tourism make up the community's present day economy **Publications of the Buffalo Historical Society** Buffalo Historical Society (Buffalo, N.Y.), 1879 The Hidden Treasure of Dutch Buffalo Creek Jackson Badgenoone, 2015-07-16 An eight year old boy named James aka the wannabe Cisco Kid nearly lost his life as he searched for precious metal in a bone dry southwest Arizona gully He retrieved only pyrite before a desert flood swept away his world Over the course of half a century James acquired several additional nicknames They were reflections of his multiple

personalities His dad called him Traveler or Trav Some coworkers referred to him as Point Man A few colleagues labeled him Knowledge Navigator or Nav Under the cool shimmering waters of Dutch Buffalo Creek in 2014 A D Trav came upon a rusty bayonet It was buried long ago in the Carolina Piedmont This discovery is no coincidence indeed this bayonet is a symbol of the abundant riches found in the river of history that connects both the past and future The blade reminded Point Man that all that glitters is not gold Nav expanded the search for real treasure beyond the water s edge The blade was a catalyst that drove James to sift through a lifetime of artifacts and bittersweet memories He found riches from the past and caught a glimpse of the future Just as the bayonet glimmered in the depths of the water so does the ongoing work of his family s unseen witnesses the Neverborn They reveal ancient treasures that go far beyond mere gold and silver James is guided into a deeper understanding that he and countless loved ones have been called by name as spoken by the prophet Isaiah I have summoned you by name you are mine When you pass through the waters I will be with you
