Klaus-Dieter Weiss, 2012-12-13 today the name RKW Architektur St dtebau evokes two hundred architects whose work never  
fails to convince The reason does not lie in the narrowly defined architectural language of individual leaders of the firm More  
than in any other firm the various teams are given generous latitude for independent initiative Thus this documentation of  
the last ten years with cross references to the development of this unique partnership since 1950 doesn t just present sixty  
five structures and projects from an internationally sought after firm On the contrary in its search for the secret of the firm s  
success it looks behind the scenes in numerous interviews and essays The works considered range from the research  
facilities for AUDI the new sciences campus of RWTH Aachen University and the corporate headquarters of Vodafone Debitel
