Building Library Collections Policies And Practices In Academic Libraries:

Building Library Collections Hugh F. Cline, Loraine T. Sinnott, 1981 Collection Development Policies Daniel C. Mack, 2003 Get the tools you need to build a collection development policy that will help your library run efficiently today and in the future Considering the amount and variety of topics being published effectively organizing and guiding a library in today's accelerated world is no easy task *Collection Development Policies New Directions for Changing Collections* is the contemporary librarians guide to building or revising a first rate collection development policy In this up to date book experts in the field take you step by step through the publishing process from writing an initial draft to applying the official copy Find out what did and did not work in their own practices and get the tools you'll need to tackle any obstacles you may encounter *Collection Development Policies New Directions for Changing Collection* covers a variety of topics including pricing policies and remote storage facilities without leaving out the traditional concerns of space and funding This valuable book also addresses the needs of specialized collections with information on acquisition policies for contemporary subjects collections and building subject specific policy statements Experienced professionals examine the stability of the electronic resources market and explain how the impact of technical services is redefining the access collection and cataloging of libraries *Collection Development Policies* also provides examples of collection policies currently in use Read about the subject specific policy statements of Schreyer Business Library and the women's studies collection at Pennsylvania State University Berkeley's *Collection Development Policy CDPS* and the factors hindering its revision the creation and revision of St John's University's collection development policy Simmons College's Graduate School of Library and Information Science's term project and syllabus and how it can be applied to functioning libraries the Association of Research Libraries Web pages and how they have been influenced by the electronic management revolution *Collection Development Policies New Directions for Changing Collection* is a valuable resource for anyone selecting and acquiring library materials maintaining a library collection or building a collection development policy The information in this book will help you organize your library collection in a manner that will be beneficial not only to you but to your clients as well Collection Development and Collection Evaluation Michael R. Gabriel, 1995 Contains approximately 2 000 citations to books periodical articles theses and scholarly papers in English a comprehensive guide to literature useful to all librarians interested in strengthening their collection development operation policies and procedures **PUBLIC LIBRARY QUARTERLY Collection Development Policies and Procedures** Bloomsbury Publishing, 1994-12-13 This volume will help you acquire and manage a strong collection for your library even when budgets are being cut Topics covered include purchasing materials formulating selection criteria sharing materials with other institutions and evaluating and preserving materials This edition by the late Elizabeth Futas begins with the results of the author's survey of academic and public libraries The author then explains how a sharply focused and clearly articulated collections development policy can assist libraries in providing the best possible service in the most cost effective

manner These and other ideas practices and policies in this new edition will allow libraries to continue meeting the needs of their particular constituents even in uncertain economic times

Collection Development in College Libraries Joanne Schneider Hill, William E. Hannaford, Ronald H. Epp, 1991 Collection Development is a compilation of 20 papers that explore the assumption that mission affects policy To what extent do the unique features and mission of the small college library create distinctive concerns for it The papers presented here demonstrate an alternative to the assumption that what works in large university libraries will also work in small ones

Archives and Library Administration Lawrence J Mc Crank, 2013-01-11 This informative volume focuses on the effective management of library archives presenting perspectives and firsthand accounts from experienced and successful administrators in the field The contributors examine the differences and similarities in the management of archives and other library information centers providing valuable insights into various management styles decisions and planning techniques
