**Upon This Rock** Rosie Rivera,2014-09-26 Many new believers struggle due to a lack of knowledge The Bible states that we as baby Christians should desire the sincere milk of the Word that we might grow by it Many people get born again and go back into the old lifestyle because they have no root in the Word and their foundation is weak I would like to see every new believer become established and grounded in the Word so that they have a firm foundation that cannot be moved Tests and trials come to each of us and the type of foundation our life is built upon determines whether we stand or fall The more we understand the Word the stronger our foundation becomes God desires that we take His written Word and His revealed Word and apply them to our daily lives This book is intended to inspire new believers to go after God to get to know Him and to love the Word There is no greater joy than knowing Jesus who came to give His life for us so that we can have eternal life

*God's Church Made Simple* Ph. D. James E. Smith,2011-09-26 An examination of thirteen biblical metaphors for the church with a view to helping the modern Christian to see the church as God sees it **Juán de Valdés' Commentary Upon St. Paul's First Epistle to the Church at Corinth** Juan de Valdés,1883 [The Foundation of Faith](#) David Benson Kiehn,2017-04-09 Every Christian is called to build their foundation on the Lord Jesus Christ Paul writes to the church at Corinth According to the grace of God given to me like a skilled master builder I laid a foundation and someone else is building upon it Let each one take care how he builds upon it For no one can lay a foundation other than that which is laid which is Jesus Christ 1 Corinthians 3 10 11 The earliest foundation of the gospel of Jesus Christ was laid out in the opening pages of the Bible in its first book Genesis provides the foundation of God s people by showing how the gracious almighty Sovereign Lord God created the world and loving set his affection on his people through an everlasting promise This book is an attempt to help believers build their lives on a solid foundation Genesis provides the beginning framework of how God created called and cared for his people As Christians understand the great legacy of God s faithfulness to his people they will understand that Israel s story is ultimately their story as well God s people were built on a promise That promise was fulfilled in the life death burial and resurrection of Jesus Christ If Christians want to build their life on a solid foundation they should start at the beginning I pray that you will learn more of your foundation as you grow in your understanding of the history of God s people Build your life on a solid foundation Build your life on the promise of God *Works* Jonathan Edwards,1881

**Paul, the Temple, and Building a Metaphor** David Anthony Basham,2024-12-12 David Anthony Basham argues that Paul and the Corinthians share a system of associated commonplaces about the Jerusalem temple Basham proposes that when Paul applies temple language to the Corinthians by calling them naos theou God s temple he sparks a creative process of interaction between the temple and the Corinthian assembly a process of selecting emphasizing and organizing information from the source domain temple to see the target domain the Corinthians in a new light Basham suggests that in understanding Paul s fraught relationship with certain institutions of Second Temple Judaism and his conception of gentile

inclusion we can appreciate the creative ways in which he employs cultic imagery to describe his ministry and the ritual life of early gentile believers By exploring the construction of metaphor the depiction of the Jerusalem temple in Paul s letters and Judaeen religion among gentiles Basham demonstrates that Paul s temple metaphor speaks to a new cultic reality for gentiles in Christ that is linked to Israel s worship though detached from its actual expression in Jerusalem *The Watchman-examiner* ,1916 1st Corinthians Correcting the Church Practical Christianity Foundation,2020-08-08

Correcting the Church In his first epistle to the Corinthian Church the apostle Paul confronted the immorality doctrinal confusion and frequent disputes that had become commonplace among the Corinthian believers Paul s message to this church was simple yet powerful Consider the values of Christ s redemption and realign your thinking with God s instructions Although this letter was written to correct admonish instruct and encourage the early church they are just as relevant to us today This verse by verse devotional study complete with engaging commentary and practical life applications will challenge you to pursue a closer walk with Jesus Christ and grow in the faith **ABCs for Christian Growth - Laying the Foundation** Hampton J.
