Building Time At Brushy:

Building Time at Brushy Stonney Ray Lane,2003-06 The story of Stonney Ray Lane a mild mannered young man who started his career in corrections as an inmate teacher counselor at Brushy Mountain State Prison He writes about his early experiences as a teacher and counselor The Tabernacle Jeff Clark,2018-01-22 The Tabernacle By Jeff Clark The Tabernacle follows the sweeping 13 000 year history of two central Texas farm communities Alameda and Cheaney Searching along winding wooded trails uncovering hidden homesteads miles from the nearest road and listening at last to the words of teachers four decades his senior author Jeff Clark begins to hear the tale of timeless lands and the lessons as it finally breaks open in his own life This sprawling epic is full of firsthand testimony about the harsh settlement of the Texas frontier as well as surprising glimpses into his storytellers twenty first century lives The Tabernacle will move you deeply as it has moved within the lives of many generations encamped along the shores of the Leon River *The Real Billy the Kid Revealed* Jim Johnson,2022-11-29 Author Jim Johnson has been intrigued with the Old West its lore and its legends all of his life His interest began while watching the old black and white western movies made in the 1940s and 50s Over the years he has collected and read thousands of nonfiction books and magazines on western outlaws and lawmen Today his library overflows with these nonfiction western books and magazines Jim read these books and magazine articles thoroughly and with caution He was amazed at the contradictions not only within books but between books and some of the fiction added to glamorize the books His research over the last 25 30 years has taken him across the southwest including Arizona New Mexico Texas and Oklahoma and the midwest including Kansas Illinois and Indiana He has copies of thousands of documents from archives government records and internet records He has also used online sources Yankee Moderns Michael Hoberman,2000 Rural New Englanders Hoberman suggests have too long been portrayed as backward looking and dangerously homogeneous in their makeup crotchety exceptions to modernity s nearly worldwide sweep This insightful work with its emphasis on instability and adaptation as persistent features of the folk region does much to lay that stereotype to rest BOOK JACKET Votes & Proceedings New South Wales.
