L'Abbe Constantin Vol 3 Ludovic Halévy, 2021-03-25 *L'Abbe Constantin vol 3* From Ludovic Halévy **The Abbe Constantin (L'Abbe Constantin), Complete Volume** Ludovic Halévy, 2019-07-08 This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve, and recreate the original content, we have worked towards 1. Type setting, Reformatting. The complete work has been redesigned via professional layout formatting and type setting tools to recreate the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a fresh and newly reprinted and/or revised edition as opposed to other scanned printed Optical Character Recognition (OCR) reproductions. 2. Correction of imperfections. As the work was recreated from the scratch, therefore it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content pages, and/or other related subject matters upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections, which could not be rectified due to intentional/unintentional omission of content in the original edition, were inherited and preserved from the original work to maintain the authenticity and construct relevant to the work. We believe that this work holds historical, cultural, and/or intellectual importance in the literary works community; therefore, despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content. HAPPY READING [L'Abbe Constantin](#) - Ludovic Halévy, 2012. This book is part of the TREDITION CLASSICS. It contains classical literature works from over two thousand years.
