The Cumulative Book Index ,1996 A world list of books in the English language **Response** ,1998 Promoting Mental Health and Wellbeing Among Young People Maj Britt Dahl Nielsen, Susan Andersen, Sigurd Lauridsen, 2025-09-10 Mental disorders account for a large proportion of the disease burden in young people and poor mental health is strongly related to lower educational achievements and labor market attainment and other health problems including substance abuse violence and poor reproductive and sexual health Evidence suggests that the COVID 19 pandemic might have had a negative effect on young people s mental health and knowledge about secular trends in well being and mental health problems is important for planning public health interventions Research on health promotion and preventive interventions remains scarce and the mental health needs of young people are often unmet and research is urgently needed to develop affordable and feasible interventions In Denmark and other countries the mental health of young people has been declining especially in the wake of COVID 19 The main goal of this research topic is to further our understanding of trends in mental health and well being among young people and aid the development of feasible and effective public health interventions This Research Topic welcomes empirical studies including qualitative quantitative and mixed method research design papers and systematic reviews focusing on but not limited to the following sub topics Trends in mental health and well being among young people The impact of COVID 19 on mental health and wellbeing New and emerging risks for mental health and well being for example related to online and mobile technology Barriers to treatment Development of affordable and feasible community based interventions Implementation and effectiveness of preventive and health promotion interventions including universal interventions and interventions targeting vulnerable groups *The ABC's of Parent Involvement in Education* John Robbins, Susan Mitgang, 1998 An interactive guide to involve parents in their children s education **Mother Nurture** Stephanie Hirsch, 2025-03-11 Where did Beyonc get her groove Where did Lance Armstrong get his drive Where did Steven Spielberg get his creative vision Every success story begins with Mom When Stephanie Hirsch gave birth to her son she began to think about the kind of person she d like him to be generous family oriented loving courageous and professionally accomplished maybe he d turn out like Steven Spielberg But what she wondered had Spielberg s mother done so well What started out as one conversation with Steven Spielberg s mom became a quest to interview the mothers of some of the most talented artists brilliant journalists and dedicated athletes of our time Mother Nurture is an inspiring collection of fifty two

stories filled with commonsense advice and memorable personal tales from caring mothers whose children have reached the apex of their fields from sports politics and music to literature entertainment and business If you re expecting or a parent or you just want to thank the woman who raised you Mother Nurture is both the perfect antidote to piles of contradictory parenting advice and a celebration of the gift of motherhood

Closing the Education Achievement Gaps for African American Males Theodore S. Ransaw, Richard Majors, 2016-04-01 Closing the Education Achievement Gaps for African American Males is a research based tool to improve the schooling experience of African American males Editors Theodore S Ransaw and Richard Majors draw together a collection of writings that provide much needed engagement with issues of gender and identity for black males as well as those of culture media and technology in the context of education The distinguished and expert contributors whose work comprises this volume include an achievement gap specialist for males of color two psychologists a math teacher an electrical engineer a former school principal a social worker and a former human rights commissioner From black male learning styles to STEM this book shows that issues pertaining to educational outcomes for black males are nuanced and complex but not unsolvable With its combination of fresh new approaches to closing achievement gaps and up to date views on trends this volume is an invaluable resource on vital contemporary social and educational issues that aims to improve learning equity and access for African American males
