an opportunity to really live It is now over 120 years since Abide in Christ was published yet the message in this book is still relevant and important today There are many important teachings by Jesus to be found in the four gospels however we find a special teaching that occurred while Jesus was sharing the last supper with his disciples The teaching can be found in the gospel of John chapter 15 Jesus Christ compares himself to a vine and His Father God to the husbandman the vinedresser the keeper of the vineyard He uses this metaphor to highlight what he means by ABIDE IN ME Murray describes the importance of understanding the words of Jesus Abide in Me He says While trusting in their Saviour for pardon and for help and seeking to some extent to obey Him they have hardly realized to what closeness of union to what intimacy of fellowship to what wondrous oneness of life and interest He invited them when He said Abide in me This is not only an unspeakable loss to themselves but the church and the world suffer in what they lose Abide in Christ should be required reading for all Christians in fact for everybody **Bookseller and the Stationery Trades' Journal** ,1895 **The Literary churchman** ,1883
