A MARRIED MAN ... PERCEPTIONS ABOUT ... LOVE Adrian Gabriel Dumitru, And what if one day after stop loving someone that you liked so so much you decide to replace that big whole from your soul with loving all the people from the timeline of your life Today i believe that to understand the life itself we need to experience love in whatever form it might appear to us It sounds weird or even as a total nonsense but in the end following the paths of life I always realized that everything comes by itself Not so long time ago before becoming 40 I heard lots of strange ideas about the change is happening in man's perspective about life the next second he comes to this age In fact the truth is that only 2 versions worth to be mentioned and i saw that at all my friends that had this age One theory was that we start to have all types of medical problems and the other one was that the man starts to be obsessed by love love stories and all the women from the timeline of his life I never had medical problems in my life so i totally ignored the first theory and on another hand working in sales for more than 20 years i met thousands of ladies but never had the intention to cheat my wife So i totally ignored both theories but just few days before becoming 40 a very beautiful lady appeared in my life She was the most unexpected person i could dream that i would start a love story with but it happened The theory was right or at least one of it I fell in love with that amazing soul and i started to write all my feelings and everything related to us I wrote so much that one day i realized that i published 10 books carrying the word love inside of the title But same as any other story from the history of the human being my love story had a beginning the story itself and the end Today looking back in time i see just the 10 books i wrote but i would not like to read them again Never In my last book about love stories Loving but not

understanding where the love goes the last 2 essays i wrote tell everything it was in my heart and soul I miss you a lot but i don t want you back in my life Never again and Awakening can be obtained at the end of the love story I left the love story dissatisfied of all happened but still i was chasing for love Getting back into her arms was useless I knew it and even if i lied myself for such a long time she was the same as my wife a shrew or at least this is how i saw both of them I decided to let my life continue near my family totally forgetting the love story but still not ignoring my huge desire for love The smaller kid told me one day while arguing with my wife You are not allowed to leave us You are our parents and you don t have the right to do that Ignoring those words was equal with betrayal A huge one So i remained near my wife and kids doing my duty understanding the dharmic side of life but still something was whispering me all the time love love love love love I thought i need to find another lady but my wife was paying attention now to any small detail so i could not repeat the love story i had with that crazy lady I was meditating a lot On the scene of my life i met lots of other people in the same situation as myself that ended the love story and somehow started to be in a relationship with themselves They discovered a new path the one of self love But i did not know anything about the subject and not even wanted to bother becoming more profound and connected to myself I actually did not wanted to start a new relationship either with someone else either with myself I knew i needed something else into my life but did not understood the new path i need to follow And i continued searching On and on and on One day a year ago while having a fire at one of my properties a heart appeared on the roof of the building Everyone saw the heart except myself Later on i saw it in the pictures taken by the people that were there at the time Again I thought that i should find a new mistress and have a parallel life again without my wife to find out But i was wrong So damn wrong Time passed and and the russian ukrainian war began and i started to host lots of refugees There were people that needed unconditional love and support and i somehow connected to the all of them realizing that i can be in a weird love story with all those women coming from Ukraine They were ladies of different age and personality but i loved having them into my life I somehow started to understand that even if i thought that being in love can have only 2 options loving a soulmate or yourself i finally saw a totally new path and that was being in a lovely relationship practicing another type of love with anyone was appearing in my reality That of course could not offend in any way my wife and also could not affect the marriage i had but Yes It was an amazing trick and i just loved it I finally understood what Dalai Lama or Pope Francis were saying about unconditional love for all the people from this world Reading their books i even had moments when i thought the 2 of them were idiots but i was the idiot one My marriage was indeed karmic having nothing to do with love but my youngest son learnt me the meaning of dharma My mistress which even if i loved so so much but don t even want to hear her name again taught me what love means She was somehow a combination between karma and love and saw her at the end of our love story more as a teacher than a soulmate Most probably i have totally different values as those 2 shrews my wife and my mistress but i am happy i met the ucrainian ladies The abstract love story i started with them all of them no matter of age personality

perspectives of life was a much better path for continuing my life journey I finally understood that if i would know to connect to the people that appear on the timeline of my life and love them unconditionally somehow that love that i was chasing so so much since i was a kid will come back to me in infinite quantities I was looking for love and i had to see the meaning of love story from a totally different perspective But now everything was clear to me I knew what i had to do and which path to follow My expectation was as my wife to love me but she was a karmic character that i could not replace or my mistresses to love me unconditionally but she was the teacher that made me realize what the concept of love means My life journey had to continue and the ukrainian ladies showed me such a beautiful perspective i never thought about I was glad of this awakening moment So loving you loving me or simple loving any soul that appears in our lives Well maybe from my position where i am now being in a love story with everyone is probably the best scenario i could live Am glad i see things today as that Might be your perception or not Might sound as a total nonsense all what i am writing but maybe it will be much interesting to hear weird ideas than the boring ones So let the journey begin and we will see if i succeed to really connect to my real self so that i can find the inspiration to express myself clear enough that in the end you will try at least one time this kind of abstract love story being in love with all the people from your life

**The Truth About Love** Tia McCollors,2008-03-01 In the anticipated sequel to Zora s Cry revisit the lives of the four women from the P O W E R discipleship group Zora is facing some challenges adjusting to married life after so many years as a single and the pressure only increases when her new husband Preston declares his call to the ministry Monet is happily dating but still unsure if marriage is for her Belinda s stepson T J has grown dangerously rebellious testing her faith and her marriage to the limit And Paula has just given birth to a girl and is stunned when her husband demands a paternity test The women pull together in prayer as they search for answers and end up confirming the truth about love that it never fails

**All About Love** bell hooks,2001-01-09 The word love is most often defined as a noun yet we would all love to better if we used it as a verb writes bell hooks as she comes out fighting and on fire in All About Love Here at her most provocative and intensely personal the renowned scholar cultural critic and feminist skewers our view of love as romance In its place she offers a proactive new ethic for a people and a society bereft with lovelessness As bell hooks uses her incisive mind and razor sharp pen to explode th question What is love her answers strike at both the mind and heart In thirteen concise chapters hooks examines her own search for emotional connection and society s failure to provide a model for learning to love Razing the cultural paradigm that the ideal love is infused with sex and desire she provides a new path to love that is sacred redemptive and healing for the individuals and for a nation The Utne Reader declared bell hooks one of the 100 Visionaries Who Can Change Your Life All About Love is a powerful affirmation of just how profoundly she can
